

SHAMUS P. REGAN of Fort Qu'Appelle is a graduate of the certificate program, College of Agriculture in 1924. He has made a career of farming and particularly dairy husbandry. His interests have centered around quality and record of performance of the dairy animal. For many years he was chief classifier for dairy cattle under the R.O.P. herd improvement program. He has judged numerous 4-H Dairy Achievement days, dairy sweepstakes competitions and open dairy shows in Saskatchewan and other provinces in Canada. Sham has been a strong supporter of class reunions and other related activities in our association. He has been active in voluntary organizations in his community.
