Thank you to the Westlock Healthcare Centre and Westlock Continuing Care for the care he received over the last year. As well, a big thank you to Dr. Coma for his excellent care, and to Dr. Sholter, Harold's rheumatoid specialist for over 20 years.

Harold was born on April 29, 1939 in Smeaton, Saskatchewan and attended school there until grade 12. He then attended the School of Agriculture at the University of Saskatchewan and made many friends who still keep in touch at reunions. He hosted the 2016 reunion in Westlock.

After he completed university, he went to work for Co-Op Implements in Sales in the Peace Country. This was the beginning of a career in the Agriculture business. Eventually he was a shareholder in Robin Farm Equipment in Westlock, Alberta. He was very proud to be a "pure" Icelander and had a special place in his heart for his home province of Saskatchewan. He had a keen sense of humor and could tell an entertaining story. He was proud of his daughter and son-in-law and even prouder of his grandsons.

Harold will leave a bare spot in the hearts and lives of those who knew him.
