

**RONALD GORDON DALGLIESH '65 C November 23, 1943 - May 1, 2016**

Ron was diagnosed with brain cancer in July 2014. Throughout his illness, as throughout his life, he remained upbeat and positive. After a spirited two year battle, Ron passed away peacefully in his sleep on May 1, 2016.

Ron was a wonderful father and husband. He will be deeply missed by his wife Carol, his three sons, David, Greg (Shauna), Jeff (Cindy), and his granddaughter Caitie. He grew up on a farm in Southeastern Saskatchewan. He was very proud of his agrarian roots and often talked about the lifestyle and people he knew from Halbrite, Saskatchewan.

He received his B.Sc in Agriculture from the University of Saskatchewan and his MBA from Queens. His first job after university, was with the Budget Bureau, Department of Finance in Saskatchewan. He often referred to himself as a 'Budget Bureau Beaver'. But somehow during those years with the Budget Bureau, he got the urge to travel. He resigned and spent a year traveling through Europe, North Africa and Asia. The travel bug never left him and lasted throughout his career. Ron held several senior positions with the Governments of Saskatchewan and Manitoba. But, about every four years, he would resign so he could take up an offer to head up challenging and interesting projects in Asia or Africa. His final years were spent on Vancouver Island enjoying family, friends, retirement, and of course traveling.
