

### **Graham McMillan Steacy '73 C**

We are sad to announce the sudden passing of Graham McMillan Steacy, on Monday, December 12<sup>th</sup>, 2016. Graham was preceded in death by his parents, Mary and Dick Steacy of Saskatoon, and his wife Debby. He is survived by his sons, Jim (Brittany) and Sean (Ashley) of Lethbridge, and his daughter Heather (Mandy) of Victoria. He is also survived by his sister, Miriam Buswell (John) of Borden, and his niece, Kerry Buswell Brown (Dave) of Regina.

While attending the University of Saskatchewan, Graham met the love of his life in Debby. They were married in 1974 and spent several years building memories of their own and continuing their educations before having their family and moving to Lethbridge, where Graham worked for Agriculture Canada for 26 years.

Graham happily encouraged his three children through all kinds of activities, from music lessons to cub scouting, and especially their careers in track and field. He was very involved as a field official and travelled to many different competitions both indoors and out in that capacity, as well as a spectator/supporter. He also spent countless nights volunteering with his wife Debby for Operation Red Nose in support of the U of L Pronghorns.

He was always there for his kids, travelling with them, volunteering with them, and offering support to each of them whatever their endeavours. His children, his cats, and everyone who knew him will miss him dearly.

At Graham's request there will be no funeral service.

In lieu of flowers, donations in Graham's memory to the Lethbridge Humane Society would be appreciated.
