The 1960 College grads held their 60-year reunion at the Saskatoon Hilton Garden Inn on January 10, 2020. The evening featured a roast beef dinner, with a special 60<sup>th</sup> reunion cake, lots of visiting and of course the usual number of cocktails before, during and after dinner. There was plenty of visiting, storytelling and a great deal of reminiscing and updating of the past sixty years. The grads were asked to share memories of their student years. The buildings mentioned were the Agro Lounge, Poultry Building, Livestock Pavilion and Ellis Hall. Events identified were Ag Bag Drag, College rivalries and late night bridge sessions. Other memories were about an absent-minded economics professor, the Saturday morning English labs and eggs in a Poultry Science professor's lab coat. There were other experiences mentioned that cannot be printed! It was truly a memorable evening. Additional 60's grads joined the reunion on Saturday for the SAGA Reunion Banquet. The class 1960 has held an annual reunion every year beginning in 1965.
