

1962 Voc Ags School of Agriculture 60 year Summer Reunion

We held our own 60th anniversary reunion on June 10 & 11 at the Manitou Springs Resort and Mineral Spa. We had a hospitality room at the hotel for 2 days.

On the afternoon of Saturday June 11, we gathered at the Morningstar farm, which is 20 miles from Watrous. Larry and Donna Morningstar hosted our group for a wiener roast luncheon with all the trimmings including a 60th anniversary cake. A sheet metal commemorative plaque was designed by Ryan Morningstar for this occasion, which he cut out with his laser cutting machine. Impressive artwork.

That evening our group gathered for dinner at Danceland, which served a wonderful buffet. An excellent time was had by all.
