

## The 1968 School of Agriculture Grads

55 Year Reunion, Jan. 6 and Jan. 7, 2023.

To begin the weekend, we did a casual tour of the University Campus, then the Ag building while attending the Friday Night Social. Later that evening, everyone convened in two rooms at the Saskatoon Hilton Garden Inn arranged by reunion chair Gordon Moore. As everyone shared memories of their University years, Gordon's scrap books of all the previous Grads and their happenings from 1968-2008 were of keen interest. Gordon also displayed a book of all the grain elevators in Saskatchewan written by Warren Iverson of Meota.

There were several memories that brought about much discussion such as the LITTLE ROYAL, AG BAG DRAG and past reunions of 30-40-50 years. A very special tribute was given for class mate Dave Mitchel, who had to leave at Christmas in his second year because of the passing of his father. He had to return to the family farm and resume the farm duties. Dave did not get to graduate with the class but while he was attending he was Campus and Sask Arm Wrestling Champ even with being a Polio survivor from the age of 14. Dave passed away Dec. 26, 2021 but will always be remembered and loved by his fellow classmates and friends.

A special tribute to Joan Meyer (wife of graduate Don Meyer) who sadly passed away February 25, 2023. We say a prayer for all those professors, and graduates/spouses whom are no longer with us. You will always be remembered and our memories cherished.

I have truly enjoyed being the reunion chair for the past 5 celebrations and I want to thank every graduate and their spouse for all the support and assistance in arranging rooms and gathering information for this event.
