- Ag Bag Drag is Nov 1 ; bands include Third Degree Birnz, and Wildfire
- Drag pub crawl is tonight ; keep an eye out for the Drag car which will be driving around the city

### College of Agriculture and Bioresources Development Officer

- ACE (University Advancement registration system) RFP being sent out soon ; all colleges and units on campus will be able to use in future ; not sure if there is a fee ; availability date yet to be determined
- -standard confidentiality forms are now available ; reunion year reps will sign form and then Trina can release contact info for individuals from their graduating year ; prior to now, Trina had to send out info because could not release personal information
- Trina will email Saskatoon members of SAGA asking if anyone is willing to accept position of SAGA secretary
- Bean Feed tickets available from Dean's office ; Bean Feed is formal event where College of AgBio acknowledges scholarship winners ; connects student with donor at same table
- Trina suggested SAGA consider sponsoring an award for a student ; will be discussed at a future meeting
- Alicia Wehrkamp (Student Recruiter/First Year Experience Coordinator) did a presentation at the AgBio Lunch and Learn – Ali has been visiting several schools promoting the college

### Membership Committee - (Registrar, Membership, Website)

- Trina Mortson indicated that the membership list was up to date
- Al Scholz reported on the Resume & Interview workshop held Oct 1 ; number of students participating was down, number of volunteers was also down ; there was also less sponsorship this year, so the event will require additional revenue to financially break even
- For future years, Al suggested that SAGA produce a one page promo to display and distribute ; discussion on whether this promo piece already exists ; Grant Wood and Vern Racz duplicated a business card and letter to include in the grad packages for all ag grads ; this should be reviewed ;
- ACTION: Grant will get copies and distribute at next meeting
- If SAGA is to continue its involvement in the Resume & Interview workshop, they need to delegate an individual to assist SIA in getting sponsorship dollars, promoting the event to students, and getting volunteers to help with the interviews ; activities should start in June
- At a previous meeting there was discussion of SAGA co-sponsoring this event ; since the event incurred a loss this year, Al Scholz asked if SAGA would be willing to split the costs of the loss ; discussion about whether this was approved at a meeting or just discussed at a meeting
- ACTION: tabled until Grant Wood find the discussion thread or finds approval in meeting minutes ; discussion about including the finances in this years budget or next years budget ; IF the board agrees to split the cost of the loss then it was generally felt we should incur the expense in the current years budget ; for this to happen, Grant will need to circulate information and ask for an email vote

### Reunion

- Once the fee for the banquet is set, Trina Mortson, Al Scholz & Grant Wood will coordinate the sending of info to all reunion chairs
- Grant Wood to be contact for College and School 1944 and 2009 ; Grant plans to contact the grads from the School and College of 1944 to ask for a photo and some interesting information from each person ; Grant will create a short powerpoint presentation to recognize these past grads during the banquet
- Grant Wood will send updated info to Mayson Maerz so he can update the SAGA website

#### Banquet/Mixer

- Barb Larson submitted two documents outlining projected costs for the banquet ; if we have less than 250 people, the projected per person cost is \$72.07 per person ; with over 225 people, the cost drops is \$67.12 per person because there will be no room costs with a registration over 225 people
- facing increasing costs from last year, therefore Barb recommends a \$5 fee increase over last year
- MOTION: Barb Larson / Gary Storey that we charge \$70 for early registration and \$85 for late registration; mixer stays at \$15 ; CARRIED
- ACTION: Grant Wood to check with Jill Turner to see if we can include ‘mixer only’ on the registration form, and if SAGA will be charged a per head fee for this
- Jill Turner (via email) recommends:
  - early registration – up till Dec 23
  - late registration – Dec 24 till Jan 6
  - registration will go live Nov 15
- discussion on how to make the on-site registration go more smoothly :
  - get the registration list from CCDE at least 3 days ahead so can cross reference our membership list with info collected from CCDE form ; get excel file from CCDE and highlight memberships
  - tables grouped by reunion years ; register A-M and N-Z

## 7. New / Other business

- Discussion on the role of the reunion weekend, the changing face of ag grads, and how SAGA can be more responsive to the needs of its membership
- ASA represents a small portion of the ag students ; possibly include other student groups
- - recent grads are segregated rather than one big group ; four degrees rather than one now being offered ; smaller groups to stay in contact with
- students socialize differently now than before ; may not use reunion weekend as a means of socializing
- present events may not be desirable for recent grads ; Kaiser tournament, bridge tournament, video game tournament, ???
- several people liked the idea of a joint event between fourth year students and recent grads, as a way to encourage them to participate in SAGA
- suggested that a small committee be formed to further investigate this topic ; volunteers? Al Scholz, Grant Wood, Trina Morston, Al McDougald
