FOREWORD

The idea of preparing a history of our Association had been actively under discussion for at least the past five years. In 1980 Saskatchewan celebrated its 75th anniversary and a "Celebrate Saskatchewan" fund was created. Our Association was fortunate in obtaining a \$3,000.00 grant to assist in the preparation and publication of the history you are about to read. Without this generous financial assistance it is unlikely that this project would have proceeded quickly enough to be published in 1980.

The Register of Graduates was the topic of much discussion in terms of both its inclusion and the format it should take. It is included to provide a ready reference of graduates, the year they graduated and their home town. In this age of mobility, current address has little stability but home town has some lasting meaning. The Saskatchewan agricultural community is a closely-knit group and this is mainly because of our common rural roots. Knowledge of the home town is a prerequisite to establishing family connections. Please accept our apologies for any error in the home town listing. We recognize possible errors, particularly in the war veteran years of 1948-50.

J. L. Henry,
Past President,
Saskatchewan Agricultural
Graduates' Association

ACKNOWLEDGEMENTS

We wish to express our appreciation to the Celebrate Saskatchewan fund for the \$3,000.00 grant which made this publication possible.

Typing of the manuscript was the patient and dedicated work of Eileen Bonnor. Many agricultural graduates will know Eileen as Mrs. Gordon ('64) Bonnor or as the stenographer in the Crop Science Department for several years.

We also wish to acknowledge the willing help of many colleagues in attempting to make the list of graduates as complete and accurate as possible.

SASKATCHEWAN AGRICULTURAL GRADUATES' ASSOCIATION

The Saskatchewan Agricultural Graduates' Association is an organization of the Alumni of the College and School of Agriculture, University of Saskatchewan. Constitutional changes on membership classification over the years allow for admission of graduates of other colleges, University of Saskatchewan and graduates in Agriculture from other Universities in Canada, United States and other countries.

- I. Graduates of the Saskatchewan Agricultural College, regular or ad eundem, Degree or Associate, shall be eligible to become regular members of the Association.
- II. The Association may elect Honourary members at any annual meeting on the recommendation of the Executive.

The Association also has an honorary life membership classification, and a slate of officers elected at the annual meeting. The Association has a constitution and bylaws and is registered in Saskatchewan under the Societies Act.

ORIGIN

Although the first formal meeting held May 10, 1935 of the present Association is well documented and commemorated by a plaque in the now Administration Building of the University of Saskatchewan, the idea of an agricultural alumni association as a separate independent group came earlier. During University of Saskatchewan Farm and Home Week, 1935, L. "Gus" Bell, Murray S. Cooke, Maurice E. Hartnett, Ian S. McArthur, O.R. "Red" Mooney, and John Mitchell, met socially with Sol Sinclair in his room at the Bessborough Hotel. These people, mostly graduates of the early 30's, realized the opportunity for good fellowship and reacquaintance offered by their chance gathering could well be perpetuated to everyone's advantage. It was as a result of this meeting that this small group determined to find out if the idea would be favorably received by other graduates. Their initiative met with the success chronicled on the following pages about this Association.

The Saskatchewan Agricultural Graduates' Association, originally named the Saskatchewan Agricultural College Students Association, was formed May 10, 1935 at a meeting held in Room 104, College Building, University of Saskatchewan. There were thirty-two men in attendance at the founding meeting. A review of archive material and personal contact with a number of graduates who were in attendance at this inaugural meeting provides the following list of those in attendance.

Dr. W. Allan	J. R. Klinck
G. L. Art	D. H. McCallum
Lucien Bell	Howard McDonald
C. E. Beveridge	John Mitchell
E. E. Brockelbank	O. R. Mooney
John Cameron	H. C. Moss
T. J. Clayton	Dr. W. C. Murray
J. H. Coles	Rev. P. Peters
M. S. Cooke	R. D. Ramsay
A. D. Davey	C. A. Rowles
G. L. Godel	Dean A. M. Shaw
V. E. Graham	Sol Sinclair
J. C. Hackney	C. C. Spence
J. B. Harrington	T. W. Townley-Smith
M. E. Hartnett	Hadley Van Vliet
John Keay	W. J. White

Dr. John Mitchell acted as Chairman and Rupert D. Ramsay as Secretary. A draft of the first constitution was presented. It was moved by J. Campbell Hackney and Seconded by Tom Townley-Smith that the constitution be adopted. Carried. The annual fee of \$1.00 was also approved at this meeting.

SASKATCHEWAN AGRICULTURAL COLLEGE GRADUATES' ASSOCIATION CONSTITUTION

1935

Article 1. Name.

The name of this Organization shall be "THE SASKATCHEWAN AGRICULTURAL COLLEGE GRADUATES' ASSOCIATION".

Article 2. Objects.

- (a) To promote the social interests of graduates of the College of Agriculture, University of Saskatchewan.
- (b) To promote closer relationships among graduates and between the graduates and the College, including both faculty and students.
- (c) To assist whenever possible in securing positions for graduates of the College.
- (d) To co-operate with the University Alumni Association in their efforts to promote the interests of the University as a whole.

Article 3. Membership.

- (a) There shall be two classes of memberships:
 - I. Graduates of the Saskatchewan Agricultural College, regular or ad eundem, Degree or Associate, shall be eligible to become regular members of the Association.
 - II. The Association may elect Honorary members at any annual meeting on the recommendation of the Executive.

(b) Privileges.

Regular members shall enjoy all the rights and privileges of the Association.

Article 4. Officers.

- (a) The officers of the Association shall be:
 - I. Honourary President.
 - II. President.
 - III. Vice-President.
 - IV. Secretary-Treasurer.
- (b) The officers mentioned in the above section shall be elected annually.
- (c) The executive of the Association shall consist of:
 - I. The President, Vice-President, Secretary-Treasurer and six members who shall be elected by the Association.
 - II. The term of office of the elected members shall be two years.
 - III. To complete the organization there shall be elected

at the first annual meeting of the Association six members to the Executive, three of which shall be elected for a term of two years, and three for a term of one year. Thereafter three members shall be elected to the executive each year.

- (d) All officers shall be eligible for re-election.

Article 5. Duties of Officers.

- (a) The President shall preside at all meetings of the Association and of the Executive Committee, shall enforce due observance of the constitution, shall give the casting vote in case of a tie on any vote except when a returning officer is in charge, shall call all meetings of the Association and of the Executive Committee, and shall be ex-officio a member of all standing committees.
- (b) In the absence of the President, the Vice-President shall assume all the duties of the President's office.
- (c) I. The Secretary-Treasurer shall keep a record of the business of the Association and shall keep a complete list of those entitled to a vote at the election of officers. The secretary-Treasurer shall give notice of all meetings of the Association, executive, regular or special; shall present a written report to the annual meeting; shall receive and account for all moneys belonging to the Association; shall maintain a register of all members; shall edit and mail such letters, circulars or other publications as shall be authorized by the executive.
- II. The Secretary-Treasurer of the Association shall keep a file in which there shall be a record of available information which may be of value to prospective employers or employees. He shall give such publicity to the existence and contents of this file as shall be deemed expedient by the executive. This service may be used only by members of the Association in good standing, after the payment of any required fee. The amount of the fee, if any, shall be set by the Executive.

Article 6. Care of Funds.

The funds of the Association shall be deposited in a chartered bank to the credit of the Association. All payments shall be made in a manner satisfactory to the Auditor; The President or Vice-President and Secretary-Treasurer shall be authorized signing authorities. A financial statement shall be submitted by the Secretary-Treasurer to the annual meeting or to any other meeting if requested by the executive. The executive

shall appoint an auditor who shall audit the accounts of the Association at least once each year. The fiscal year of the Association shall be the calendar year.

Article 7. Fees.

Fees shall be paid annually in advance. The amount of the annual fee shall be set by the Executive subject to the approval of the annual meeting of the Association. Any member more than one year in arrears shall be suspended from membership. Such a member may be reinstated on application to the executive and on payment of current fees and arrears for the preceding year.

Article 8. Voting.

The privilege of voting shall be limited to regular members of the Association in good standing.

Article 9. Meetings.

There shall be one annual meeting of the Association, to be held at such time and place as shall be determined by the Executive, and such other meetings as the Executive shall deem advisable.

Article 10. Order of Business.

The order of business at any meeting of the Association shall be:

- (a) Reading and confirming Minutes of the last annual meeting and all intervening meetings.
- (b) Unfinished business.
- (c) Financial Statement and Report of Auditor.
- (d) Communications.
- (e) Reports of Committees.
- (f) Resolutions.
- (g) Election of Officers.
- (h) Programme.
- (i) Announcements.
- (j) Adjournment.

Article 11. Quorum.

Four members shall constitute a quorum for the transaction of business at any meeting of the Executive. Ten members of the Association, exclusive of the executive, shall constitute a quorum for the transaction of business at any annual meeting of the Association.

Article 12. Amendments to the Constitution.

This constitution may be amended as follows:

- (a) Notice of the proposed amendment shall be mailed to all members eligible to vote at least thirty(30) days prior to the meeting at which the vote on the proposed amendment is to be recorded.
- (b) The proposed amendment shall be declared carried and shall become a part of this constitution if two-thirds of the members present at the meeting and eligible to vote thereon, vote in favour of the amendment.

The first officers of the Association elected at the inaugural meeting were:

Honorary President	- Dean of Agriculture, A. M. Shaw
President	- John Mitchell
Vice-President	- Sol Sinclair
Secretary-	
Treasurer	- Vic E. Graham
Members for two	
years	- Maurice E. Hartnett
	- Hadley Van Vliet
	- J. Campbell Hackney
Members for one	
year	- John Cameron
	- Howard McDonald
	- D. Hal McCallum

A commemorative plaque has been placed near the door of Room 104, Administration Building (College Building) to identify the place of origin of the Association.

THE INITIAL YEAR - 1935

The first executive meeting of the Association was held on May 13, 1935 with John Mitchell, M. E. Hartnett, Hadley Van Vliet, Hal McCallum, Howard McDonald and Vic E. Graham in attendance. An interesting aspect of this meeting was the proposal to promise a regular news letter to the membership and to find out if grads were

still looking for employment. There was a suggestion that the fee could be reduced in the future.

The annual membership fee in 1935 was \$1.00 for College graduates, and \$0.50 for School graduates. This fee structure remained in effect for many years. It was raised to \$2.00 in 1969 and to \$4.00 in 1979. The Constitution of the Association and the objectives were established during the first year of operation. The wisdom of those who drew up the constitution and particularly the objectives is supported by the fact that the original objectives have received very few major revisions.

The first annual meeting, which took the form of a dinner meeting and was attended by forty-six members, was held on January 14, 1936 at the Oak Room, King George Hotel. Dr. Walter C. Murray, first President of the University of Saskatchewan was guest speaker. It was reported that there was a membership of 121 out of a total of 333 graduates and that a newsletter was sent to each prospective member. The newsletter urged graduates to join, but also asked business organizations to employ graduates. The revenue for the first year of operation was \$109.25, and expenses were \$48.89. A roll call at the first annual meeting indicated that all grad years 1915-1935 were represented except for 1915 and 1919. It should be remembered that Saskatchewan was still in the throes of the drought years, and jobs were hard to find. The Association, therefore, made strong appeal to business organizations and other institutions to hire graduates of the College of Agriculture.

Dr. Walter C. Murray, in his address to the meeting, urged the graduates to promote the meaning of the University of Saskatchewan and not just the College of Agriculture. He was concerned that the alumni of the College would become a splinter group of the total University alumni. He said:

"Agricultural students should recognize the fact that they are firstly, Alumni of the University and secondly, of the College of Agriculture".

He further stated that:

"He wanted to avoid any schism in the Alumni of the University and the College of Agriculture".

Dr. Murray made a number of very important statements in his address which have had far reaching results and implications for the University and the College of Agriculture. He emphasized the significance of the College of Agriculture in the design and building of the University of Saskatchewan. He stated:

"that a decision was made to make the College of Agriculture an integral part of the University of Saskatchewan and that academic standards set up in the Agricultural College were exactly the same as other faculties. The soundness of this policy was the quick recognition of the qualifications of Saskatchewan graduates in Agriculture and other provinces have since adopted the Saskatchewan plan."

Dr. Murray praised the founders of the Association, wished them the very best in their endeavours.

The meeting discussed the matter of honorary members and life members. The entire executive was returned to office, in addition, Murray Cooke, Regina; C. C. Spence, Saskatoon, and A.D. Davey, Moose Jaw, were added to the executive.

The Association executive reported to the meeting that they tried to find employment for graduates, that 1300 circular letters were sent out to members and in addition, 67 letters were written on business matters. It is interesting to record the financial status of the Association, December 31, 1935 especially when compared to the financial picture 45 years later.

Cash on hand December 31, 1935	\$12.92
Cash in bank December 31, 1935	46.44
	<u>\$59.36</u>

Expenses:

Postage	\$17.43
Mimeographing	1.00
Exchange on cheques	.15
Index cards	1.65
Stationery and office supplies	26.66
Stenographic services	<u>3.00</u>
TOTAL	<u>\$49.89</u>

There was considerable concern that major employers were not hiring Agricultural graduates. During a meeting, September 4, 1935, the executive agreed to write the Dean of Agriculture, the Deputy Minister of Agriculture, the Agricultural Commissioner of Saskatchewan, the Civil Service of Saskatchewan, the Saskatchewan Wheat Pool, the Saskatchewan Livestock Producers Ltd., the Canadian Society of Technical Agriculturists and others to find out more about the employment of Agricultural Graduates and to inform them of the services of the Saskatchewan Agricultural College Graduates' Association. It was obvious from the tone of the early executive meetings of the association that job opportunities for Agro grads were rather scarce during the 1930's and remained so until the outbreak of the second great war in 1939.

The growth of the Association membership during the initial year was quite dramatic, an executive meeting on November 25, 1935 reported 114 members and a bank balance of \$63.00. An interesting note from this meeting stated that the cost for the dinner be kept to a maximum of \$0.50 per person. Mr. J. H. Thompson, Dean of the College of Commerce was asked to audit the books of the Association. He continued to audit the books up to 1951, and never asked for any payment. The Association, in due time, gave him a \$10.00 honorarium and a letter of appreciation. Since 1951, only three other persons, John Pringle, Bill Ewert and Doug Wilkinson have audited the books of the Association and traditionally have not accepted payment for their services.

MEMBERSHIP

The 1980 membership in the Association is 1733. This is in contrast to a membership of 121 in 1935. Revisions to the Constitution have been made since 1935, and there are now four membership classifications. See present Constitution, revised 1980, page 54 .

1936

Only three executive meetings were held in 1936. An important decision was made in membership classification in 1936. The executive agreed to have all members under one classification whether they were graduates of the College (degree) or the School (associate). There was considerable discussion as to whether a person could become a member after having spent three years in the College but was not a graduate. A motion to this effect was defeated - the side note to the reasoning was as follows:

"A student may have spent a number of years in the College and then was found academically unfit. The executive should retain full power to veto applications for membership from those who have not obtained a degree or diploma."

The first suggestion of candidates for honorary life membership in the Association appears in the December meeting of the executive. Four names were put forth, Dr. F. H. Auld; Hon. J. G. Taggart, Dean A. M. Shaw and Kenneth Campbell.

1937

The Second Annual Meeting of the Association was held, January 12, 1937 at the Oak Room, King George Hotel with 45 members in attendance. Professor J. W. G. MacEwan, Department of Animal Science was guest speaker. His topic "Romance of Agriculture". The Association reported a membership of 151 with one of the main tasks as that of finding jobs for graduates. Dr. Walter C. Murray, President of the University of Saskatchewan spoke on the importance of the strong unity between the University of Saskatchewan Alumni and the Alumni of the Saskatchewan Agricultural College Graduates' Association. He stated: "This does not exist in larger alumni groups". Dr. Murray urged graduates to encourage more students to enroll in the two year Associate course. He also indicated that conditions were very crowded at the University.

There was a suggestion that a low cost school be established on the campus for Associate students and that there be better entrance scholarships from the Farm Boys Camps at the summer exhibitions for

students. The Association discussed the possibility of establishing entrance scholarships to the Associate course and agreed to campaign for more students.

At an executive meeting February 2, 1937, the following motion was made, Moved by Chuck Rowles and seconded by Jack Klinck "that the president or in his absence, the vice-president, and the secretary be authorized for and in the name of the Saskatchewan Agricultural College Graduates' Association to draw, accept, sign and make all or any Bills of Exchange, promissary notes, cheques and orders for the payment of money; to pay and receive all money, and to give acquittance for the same, and generally for and in the name and on behalf of the said Saskatchewan Agricultural College Graduates' Association". Carried.

The executive passed another interesting motion at their December 7, 1937 meeting pertaining to annual fees, to be presented as a resolution at the annual meeting, moved by J. B. Harrington and seconded by E. E. Brockelbank that

"fees shall be paid annually in advance. The amount of the annual fee shall be set by the executive subject to the approval of the annual meeting of the Association. Any member more than one year in arrears shall be suspended from membership, such member may be reinstated on application to the executive and on payment of current fees in arrears of the preceding years."

Carried.

A revolving loan fund of \$200.00 was established for University of Saskatchewan School of Agriculture students, the maximum loan to be \$40.00 each for not more than one year. The loan committee consisted of J. B. Harrington, E. E. Brockelbank and J. R. Klinck. Dr. L. E. Kirk was appointed Dean of the College of Agriculture and J. W. G. MacEwan was appointed Director of the School of Agriculture in 1937.

1938

Sixty-five graduates were in attendance at the Third Annual Meeting of the S.A.C.G.A. held at the King George Hotel, January 11, 1938. The membership of the Association stood at 168, or 43% of the 387 graduates of the Degree and the Diploma course.

The Association had a bank balance of \$112.11, from which \$10.00 was given to the stadium fund, a practice which was carried out for a number of years. The Association assisted 24 graduates to find employment.

The annual meeting witnessed a heated debate on the amount of the entrance scholarship(s) to the associate course. The meeting could not agree whether the scholarship should be \$50.00 or \$30.00. The decision was left up to the new executive.

Guest speakers included Dr. J. S. Thomson, President of the University of Saskatchewan, Dr. L. E. Kirk and George A. Robertson, Secretary of the Saskatchewan Wheat Pool. Dr. J. S. Thompson said:

"You are trained in Agriculture, and it is the lot of those present to carry to the people the knowledge they possess so the future might be faced hopefully."

It was quite a challenge, but emphasized the importance which the President placed on Agriculture and University extension. Dr. L. E. Kirk said:

"The need for a dormitory at the University for short course students was keenly felt and I foresee the day when 200-300 students would be enrolled in the College."

Dr. Kirk had to wait 10 years to see his dream come true with the completion of Kirk Hall in 1949. George Robertson said "Never sell Saskatchewan short". He had tremendous faith in the potential of this province. Fraternal spirit was strong as indicated by the use of the College and University yells at the close of the program.

The executive agreed that three \$30.00 scholarships would be made available to students entering the associate course, with the candidates to be selected from those attending the Farm Boys Camps at the summer exhibitions.

The price of a banquet ticket for the annual meeting was set at \$0.50 and it agreed to invite second year Associate course students, senior year College students and the three scholarship students to the banquet. The scholarship students were the only ones to receive complimentary tickets.

Tommy Fraser, the person to whom the "Tommy Fraser Memorial Trophy" recognizes, was killed June 8, 1938 at Mission, B.C. while he was flying for the R.C.A.F. See story - page 14 .

1939

The Fourth Annual Meeting was held January 10, 1939 at the King George Hotel. Seventy-five graduates and 10 students from the graduating class attended. An interesting item in the audit report that recognition be given to Jacob Wilner for his special contribution of \$1.00 to the Association. The Association awarded three \$30.00 entrance scholarships in 1938 to the University Farm School. A roll call was taken and only three years between 1915 and 1938 were not represented at this meeting. This was the largest number of graduating classes to be represented to date. New objectives were agreed upon.

- (a) to promote the social interests of the graduates of the College of Agriculture, University of Saskatchewan.
- (b) to promote closer relationships among graduates and the College, including both faculty and students.
- (c) to assist whenever possible in securing positions for graduates of the College.
- (d) To co-operate with University Alumni Association in their efforts to promote the interests of the University as a whole.

An expression of sympathy was expressed on the death of one of the first agricultural graduates, Arthur John Fahl, 1915. This tradition of remembrance began in 1939, and has continued throughout succeeding years.

Dr. Walter C. Murray, the first President of the University and a long time supporter of the College of Agriculture was unable to attend because of illness. Guest speakers were Dr. J. S. Thomson, University President, Mr. John Vallance, Water Development Branch, P.F.R.A. and Professor A. E. Ewan, Department of Animal Science.

The first suggestion of a refresher course or lecture series for graduates was made at the 1939 annual meeting by Murray Cooke. The executive followed up this suggestion and proceeded to plan for a graduate lecture program in 1940. This was a very significant decision because graduate lecture programs became an important part of the Ag. Grad. Reunions and annual meeting. Newsletters continued to be sent to all graduates. Number 18 was mailed to all graduates whether or not they were paid up members.

A committee was appointed to look into a memorial for Tommy Fraser. Harold Horner was named Chairman, Stan Tallman, Gordon Racine, Walter Burns and Tom McLeod as members with power to add. The following is a brief outline of the Tommy Fraser Memorial Trophy:

The Tommy Fraser Memorial Trophy was instituted in 1940 as a tribute to Flight Lieutenant Thomas Grant Fraser of the R.C.A.F., who was killed when his Hawker "Hurricane" plane crashed at Mission City, B.C., on June 9, 1939. The Saskatchewan Agricultural College Graduates' Association was responsible for the establishment and dedication of the trophy, but contributions towards the memorial came from across Canada.

Tommy Fraser was born April 28, 1913, in India. He left India at an early age to take his elementary education under the disciplinary conditions of English boarding school and came to Canada as a "boy immigrant" in 1930. He graduated from the University of Saskatchewan in 1936 with a B.S.A. in Agriculture.

He had many admirable qualities, his prowess and sportsmanship on the athletic field, and friendly personality were most noteworthy.

The recipient of the award was to be made to a student in good standing in the A.S.A. and the S.V.A.A. and who best displayed good sportsmanship characteristics, and an intense love for the game itself. The trophy was given to the Agricultural Students' Association and was to remain in their custody to be presented annually. The President of the Ag. Grads was to be on the selection committee.

The first recipients for the S.A.C.G.A. entrance scholarships to the School of Agriculture were Colin R. Bird, Sidney D. Bird, J. Morris Eastman and Maurice E. Taylor.

The annual membership fee was established at \$1.00 for Degree and \$0.50 for Associate graduates.

1940

The Fifth Annual Meeting was held at 6:00 P.M. in the dining room, King George Hotel, 110 people in attendance. Included in this number were 25 senior students of the College and School of Agriculture.

The first Ag. Grad. Lecture Series as a form of up-date or refresher course for Ag. Grads. was held in 1940.

Membership in the Association reached 259, the highest in its history. The bank balance was \$91.20, a contrast to the present (1980) bank balance and investment portfolio of \$37,000.00.

Bill Wilson and Ron Sutherland brought greetings from the College and School of Agriculture students. The meeting agreed that the Ag. Grad. Lecture Series would become part of the annual University of Saskatchewan Farm and Home Week. The initiation of the election of directors to the executive for one and two year terms first occurred in 1940. Speakers at the annual meeting included Maurice Hartnett, Dr. J. S. Thomson, President of the University of Saskatchewan, E. E. Eisenhower of Regina and John Keay of Calgary.

During the early years of the Association, the executive edited the newsletter before it was published.

The Association appointed a committee of John Mitchell, Thos. Rowles and Vic Graham to prepare a history of the College. A special project in the early 1940's was to send the newsletter and parcels to Ag. Grads who were serving overseas in the Armed Forces. The Tommy Fraser Memorial Award presented for the first time in 1940 was awarded to W. M. Wilson.

1941

The Second Ag. Grad. Lecture Series was held in conjunction with University of Saskatchewan Farm and Home Week. The Sixth Annual Meeting and Banquet was held at the King George Hotel on the evening of January 14. Since the formation of the Association, 311 grads had been members, representing 60 percent of those eligible. The present paid up membership was 191.

An aim of the Association was to keep in touch with all grads, therefore all received the newsletter. A special effort was made to keep in touch with grads serving with Canadian Armed Service Forces Overseas, letters, parcels and cigarettes were sent. Armed Service grads did not need to pay fees.

Ag. Grad. scholarships were awarded to Bill Darkowich of Kuroki, Norman Roebuck of Waldron, and H. A. Riddell of Brownlee.

Dr. J. F. Leddy, President of the University of Saskatchewan Alumni spoke to the grads. He said:

"Apprehension was felt on the part of some when the Agricultural Graduates' Association was organized, due to the establishing of a separate College alumni. It was felt by some that such an organization was not conducive to the strength of the University Alumni. The fear, however, had proved groundless, as a matter of fact, the Association has been a help in the building of a stronger alumni organization. Those active in the S.A.G.A. were among the most faithful supporters of the University of Saskatchewan Alumni."

Several Ag. Grads have been president of the University of Saskatchewan Alumni: Gus Bell, Murray Riddell, Vic Graham, Walter Brice and Herb Dow.

Dr. W. Allan, Canada's High Commissioner of Agriculture Overseas spoke to the grads.

The Association agreed in 1941 to pay for the purchase and engraving of the miniature trophy in connection with the Tommy Fraser Memorial Award.

1942

The Seventh Annual Meeting was held on January 13, 1942 at the King George Hotel. The paid up membership declined to 131 during the past year. There were now 500 graduates from the School of Agriculture and College of Agriculture. Sixty grads and faculty were now serving with the armed forces overseas. The Third Ag. Grad Lecture Series was held prior to the annual meeting.

An important resolution to amend the section on membership in the constitution was made at the Seventh Annual Meeting.

"Any person who had discontinued either Degree or Diploma course after two years without receiving a Degree or Diploma and whose class has since graduated be added to the category of eligibility for membership."

The annual membership fee of \$1.00 for all eligible members was established. The establishment of members-at-large to the executive was approved at the meeting. Hugh Kidd, Fairmede; Vernon Metheral, Weyburn; William Foster, Abernethy and John Klinck, Regina, were elected.

An interesting resolution was approved at the Seventh Annual

Meeting:

"Whereas the College of Agriculture did in 1941 at the Expense of the College of Engineering, decisively secure the Inter Society Rugby Championship, we the members of the S.A.C.G.A. do hereby record our approval and pleasure in the achievement of our future members."

The banquet speaker was Dr. Ken Neatby, Director of Agricultural Extension Department, Northwest Line Elevators Association, Winnipeg. Dr. Neatby took a constructive critical attitude to the Agricultural College Course curriculum and emphasized that "Agriculture is really applied biology and that the curriculum should therefore be built on a fundamental foundation of biology". Dr. Neatby also stressed the importance of Agricultural Extension and therefore the necessity for Agriculturists to develop the art of imparting their knowledge to the farming public. Dr. Neatby suggested that the Lecture Series Proceedings, because of their pertinent information, should be mailed to all members. This was a first. The meeting approved an honorarium of \$3.50 to Miss G. Hall and \$1.00 to Miss Shute for the secretarial work they had done for the Association. For the first time in history, the Association bank surplus reached over \$100.00. The books showed a bank balance of \$100.34.

1943

The Eighth Annual Meeting of the Association, held at the King George Hotel on January 12, 1943, was attended by 106 people including graduates, undergraduates, farmers and visitors. The Ag. Grad Lecture Series was held on the afternoon of January 10 and all day on the 11th. The executive reported that there were 93 graduates serving with the Armed Forces on the continent and overseas.

Sirim Grimshaw, Inspector of Aircraft, donated a "Tiger Moth" propeller on which was to be engraved the names of all Ag. Grads who served in the R.C.A.F. and R.A.F. during the Second World War. (The propeller is on the campus, but names have not yet been inscribed.)

The guest speaker was W. B. Francis, Saskatoon lawyer, who spoke on "The Development, Objectives and Methods of Co-operative Enterprise in Saskatchewan".

A decision was made at the Annual Meeting that one entrance scholarship be given to a student entering the School of Agriculture, the selection to be made through the Boys and Girls Club Work. The \$60.00 scholarship was awarded to Hugh Taylor of Gainsborough. There was a suggestion that the Association solicit members in the undergrad years of the College and School.

1944

The Ninth Annual Meeting was held in the Bessborough Hotel on January 11, 1944. A special feature of the Annual Meeting was a sing song led by Dr. Ken Neatby. Dr. J. S. Thomson, President of the University of Saskatchewan and Vic Graham, President of the University of Saskatchewan Alumni Association spoke to the grads.

Ralph Stutt, Secretary-Treasurer of the Association, in his report stated:

"Since organization of the Association in 1935, the scope of our services has broadened. The fraternal and social aspects have served to maintain a lively interest of all agricultural graduates in the College, and the University."

It was noted that there were 139 Agros in the various branches of the armed services. A vote of thanks was tendered to W. L. Kerr, Superintendent of the Forestry Farm, Sutherland for the contribution of his books, bulletins and periodicals to the Agricultural library.

Dr. W. C. Murray, in speaking to the graduates, stated that since the inception of the degree course in 1912, of the 320 graduates, one-third had taken higher degrees and 48 had completed doctorates. The guest speaker was Captain W. H. Horner who talked about his two and a half years experience in the Army in Great Britain. There was agreement at the meeting to officially change the name of the lecture series from refresher course to Agricultural Graduate Lectures. There was the suggestion of changing the name of the Association from S.A.C.G.A. to S.A.G.A. An interesting motion was made at the meeting requesting graduates to bring their wives and friends to the next annual meeting.

1945

The Tenth Annual Meeting was held at the Bessborough Hotel on January 9, 1945. The total attendance was 144 consisting of grads, wives and friends. The price of a banquet ticket was \$1.28 and twelve complimentary tickets at a cost of \$15.36 were made available to invited guests. Dr. J. S. Thomson, President of the University of Saskatchewan addressed the meeting. It was noted that the paid up membership in the Association was 156, which was far below the paid up membership of 191 in 1940. Mr. Lloyd Harris of Yorkton received the \$60.00 entrance scholarship to the College of Agriculture.

Thirty-six Christmas gift parcels were sent by the Association to grads serving overseas. An historical document written by Thos. Bryden, Manager, University of Saskatchewan Farm entitled "30 Years with University Livestock" was distributed to all members. This document is in the Ag. Grad files, University of Saskatchewan archives.

The membership went on record as supporting a memorial to be erected in honour of those University of Saskatchewan alumni who died while serving in the Armed Forces in World War II. Considerable discussion centered on the form that this memorial might take. There was additional discussion on initiating an Honorary Life Membership in the Association during 1944-45. The banquet speaker was Professor J. W. G. MacEwan who spoke on Agricultural Pioneers. The L. E. Kirk trophy for hockey supremacy between the Ag. Grads and the undergrads was presented. The hockey game was won by the undergrads with a score of 3 : 2.

The Treasurer reported an income of \$279.33, during the year of which an amount of \$252.85 was derived from the payment of fees. The meeting recorded the death in 1944 of a dear friend and great supporter of the College of Agriculture, Dr. W. C. Murray, first President of the University of Saskatchewan.

1946

The Eleventh Annual Meeting was held on January 8, 1946 at

2:00 P.M. in the Chemistry Theatre, University of Saskatchewan. The Lecture Series was held on Monday and Tuesday, January 7 and 8. A dance for the first time was held along with the annual banquet at the Bessborough.

The meeting recorded the deaths of Lorne C. Burke, John Arthur Wellbelove, James Zunti, Bert A. Holtby and Doug Knowles who were killed while on active service overseas.

The executive reported that the Association now has representation on the Advisory Council to the College of Agriculture with Rupert D. Ramsay serving as the first representative. They also stated "that no other college graduates meet with so much enthusiasm and spirit as the Agros". The paid up membership was 241, the highest to date in the history of the Association. The executive informed the meeting that Jack B. Rutherford, son of the late Dean Rutherford would give his father's files to the Association. The first signs of illness to Dr. John Mitchell was noted, however, he was well enough to attend the meetings.

It was during 1945 that a move was taken by the Association to revamp the College of Agriculture and School of Agriculture curricula. Howard Fredeen presented the report for the College and Bill Baker for the School of Agriculture. The report on the revisions to the College curriculum did not meet with much support from Dean L. E. Kirk. He stated "that the revisions suggested would lead to a more scientific course and that we would graduate scientists and not agriculturalists". The courses should remain practical, it was observed. A note in the minutes suggests that Howard Fredeen's report was misrepresented.

It was reported to the meeting that Lloyd Rasmussen visited Tommy Fraser's parents in Valparai, India. The annual meeting revised the Constitution to provide for a news editor and assistant secretary. The meeting gave the association executive authority to work on its behalf toward a suitable war memorial. The Line Elevators Farm Service agreed to print the 1946 Lecture Series for the Association.

An interesting note in the minutes with reference to the 5:30 P.M. adjournment states that "probably a more correct expression would be dissolved or disintegrated to prepare for the annual banquet and dance at the Bessborough."

The first Ag. Grad Bonspiel was held on this occasion with Wm. A. Ewert receiving the Championship Kirk Trophy and the first honorary life memberships in the Association were presented to R. D. Kirkham and Tom Brydon.

1947

The Twelfth Annual Meeting was held on January 7, 1949 in the Chemistry Theatre, University of Saskatchewan and was attended by 71 grads. The banquet and dance were held January 6 at the Bessborough. There are now 301 members in the Association out of a possible 900.

The executive reported a number of interesting developments at the 1947 annual meeting. Four newsletters (1900 copies) were distributed at a total cost of \$130.00. The Association awarded the \$60.00 entrance scholarship to W. J. Small of Craven. Fifty dollars was given to the Memorial Union Building Fund. There was discussion regarding the establishment of a special program for wives of Ag. Grads, also the idea of a smoker. Possibly, these two events could be sponsored jointly with the Saskatchewan Institute of Agrologists.

It was agreed that a basic life membership fee of \$20.00 be established and that it would be reduced by one-half of the annual fees that a member had paid to date. The monies accruing would be invested to earn interest at a rate between $1\frac{1}{2}$ - $3\frac{1}{2}$ percent.

Dr. F. H. Auld was elected an honorary life member of the Association. The ways and means committee suggested that Ag. Grads should be prepared to play a much larger role in the University of Saskatchewan Farm and Home Week.

The Agricultural Students' Association and the Saskatchewan Vocational Agricultural Association appointed student representatives to the Ag. Grad executive. The representatives were Doug Treleaven, A.S.A. and Vic. Draftenza, S.V.A.A.

1948

The Thirteenth Annual Meeting of the Association, held January 6, 1948 in the Chemistry Theatre was attended by 60 members. Dr.

Balfour Currie, President of the University of Saskatchewan Alumni addressed the meeting.

Eighteen members have now taken out life memberships in the Association. Harold C. Moss received No. 1 and A. C. Bonnor No. 2. The Association agreed to purchase a trophy for presentation to the outstanding student in the graduating class of the School of Agriculture to be a similar award to the College of Agriculture Tommy Fraser Memorial. The Association approved Professor J. G. Rayner and W. J. F. Warren for honorary life memberships. Two entrance scholarships, each valued at \$50.00, one to the College and one to the School of Agriculture were approved.

The executive asked the membership to support Dr. F. H. Auld for Chancellor of the University of Saskatchewan. A sum of \$25.00 was approved for expenditure on the campaign. It should be recorded that Dr. Auld was later elected to the position of Chancellor of the University of Saskatchewan.

The Association accepted a degree of responsibility to canvass for the Memorial Union Building. The paid up membership in the Association January 1, 1948 stood at 540, the potential membership is 1000. H. R. Clark and Wm. J. White were appointed to a committee to work with John G. Rayner to study ways and means of improving University of Saskatchewan Farm and Home Week.

An interesting deliberation in 1948 centered on the cost of the annual grads banquet and dance. It was agreed that the price of admission should not exceed \$5.00. Honorary life memberships in the Association were awarded to Dr. John Mitchell and Dr. L. E. Kirk.

1949

The Fourteenth Annual Meeting and Lecture Series was held January 3 and 4, 1949 in the Chemistry Theatre. Seventy-five members were present. The Association now has a paid up membership of 620 out of a possible 1100 members. The 1948 annual meeting honoured the Associate graduates of 1915 - 1920.

The executive reported a surplus of \$6.00 on the banquet and dance. It was agreed to honour all grads of the 1921-22 class at the

1950 reunion. Twenty rinks competed in the Ag. Grad Bonspiel. Another trophy, the Rutherford is being proposed by the Class of 1915. A committee was appointed to investigate the best time to hold the bonspiel. The Association invested \$350.00 from the life membership account in 9th Victory bonds.

1950

The Fifteenth Annual Meeting, January 10, 1950 was held in the Auditorium of Kirk Hall with 100 members in attendance. The Ag. Grad Bonspiel was held on January 6 and 7 with two new trophies, the Rutherford and Skelly, up for competition. The Rutherford was named in honour of the first Dean of Agriculture and the Skelly after Con Skelly a well known graduate who was killed in an accident in 1945. The potential membership of the Ag. Grads Association is 1300. Five newsletters were published in 1949, the first and last were sent to all graduates of the College and School. The biographies of Dean Rutherford and Dean A. M. Shaw were prepared and presented to the Association.

An additional \$1350.00 in bonds from the life membership account were purchased. Ernie McKenzie suggested that a Who's Who in Ag. Grads be printed (a listing of all grads). This idea was dropped because of the excessive cost of such a publication.

The Association agreed to award only one entrance scholarship valued at \$75.00 because of lack of interest in applying for the scholarship. The first report of the S.A.G.A. paying a portion (1/8) of the cost of Farm and Home Week program appears in 1950.

1951

One-hundred members attended the Sixteenth Annual Meeting, January 9, 1951, in the Auditorium in Kirk Hall. The Seventh Annual Bonspiel which attracted 28 rinks was held January 6 and 7. The total cost of ice was \$168.00. The Twelfth Lecture Series was held on January 8 and 9 with the banquet and dance held on the evening of the 9th. Bond interest was at three and four percent, prime rate. The grads of 1923-24 were honoured at the banquet.

The Association continued to make contributions to the Memorial Union Building fund. The S.A.G.A. entrance scholarship was discontinued in 1951 because of the lack of interest, only one application was received.

The Annual Meeting voted to award \$50.00 to the top aggregate winner in the annual College and School Field Day. The winner in 1951 was R. E. Brack.

There was considerable discussion as to the need to change the English course offered to College of Agriculture students. The Association also expressed strong criticism of the curriculum of the School of Agriculture.

1952

The Ag. Grad Reunion, Annual Meeting and Lecture Series in 1952 continued for five days from January 5 to 9, with curling on Friday and Saturday, January 5 and 6, tea on Sunday, January 7 and the Lecture Series and annual meeting Monday, January 8 and Tuesday, January 9. Thirty-five rinks competed in the bonspiel, a substantial increase from the eight which competed in the first bonspiel. The meeting received a report that there were now 801 members in the Association, made up of 644 annual, 146 life, and 11 honorary life members. The Grads of 1925-26 were honored at the 1952 reunion activities.

Because of the high cost of living, it was suggested that Agros would save money if they took out a life membership at a cost of \$20.00 less one-half of the amount the member had paid into annual fees.

The Ag. Grads entered a float at the University of Saskatchewan Alumni Homecoming parade in the fall. The float, mounted on a flat bottom trailer consisted of a huge globe of the world, done in Agro colours, and a life sized model of a Clydesdale horse that weighed two ton. The horse was hitched to the world. Everything went fine during the parade, but to place the model of the horse back to its rightful resting place above the entrance to the livestock pavilion was another story. One of the block and tackles being used broke, the model crashed to the floor, and no Clydesdale horse before or after has ever looked so completely destroyed. However, it was reassembled and has remained

in the pavilion to collect dust and observe student behavior, but never again to take part in an alumni parade. This fine specimen which the T. Eaton Co. had used in a summer parade was a gift to the Department of Animal Husbandry.

A lecture series booklet of all presentations at Farm and Home Week was printed in 1952. Participating agencies contributed to the cost of printing the publication. It was at this time also that the Ag. Grads took responsibility for the preparation of a booklet containing all presentations at Farm and Home Week.

John G. Rayner, Director of the Extension Department and a great supporter of Ag. Grads died in 1952. John Rayner, although a Manitoba grad served on many committees of the S.A.G.A. John Pringle audited the Association books in place of Dean Thomson of Commerce who had been the Association auditor since its formation.

1953

The Eighteenth Annual Meeting was held in the new gym on January 13, 1953. History records that 1953 was the beginning of the A. A. "Spike" Smith era. There were 40 rinks entered in the bonspiel, the largest entry to date. The first smoker was held at the Sergeant's Mess, Exhibition Grounds. The cost of banquet and dance tickets remained at the low price of \$3.00 yet there were those who stayed home because of the high cost of the ticket.

The first Agro student show was held in the fall of 1953 with the S.A.G.A. involved in publicity for the show. The potential membership of the S.A.G.A. was 1600, approximately 50 percent of the grads are members. There was a strong feeling that there should be more grads belonging to the Association. The records of the Association were lodged in the A.S.A. lounge area in the Field Husbandry Building.

1954

The location of the Nineteenth Annual Meeting, held January 12, 1954, was the Greystone Theatre. Ninety-one grads were in attendance. However 191 attended the Ag. Grad Lecture Series.

The Sunday tea held January 11 had an excellent turn out. The graduates of 1929 and 1930 were honoured at the 1954 reunion activities. The Ag. Grad Bonspiel continued to grow. A total of 44 rinks competed for the trophies and crests.

A new publication "Agricultural Science", to be published quarterly by the Extension Department, received endorsement of the Association. The Association also purchased 1000 copies of the publication at \$0.25 per copy per year for distribution to the membership.

The Association was concerned about the need for more students in the College and the University as a whole. A publicity campaign was undertaken by the Association in 1954 to enrol more students in the College of Agriculture.

The first suggestion of honoring those who graduated 20 years previously was put forth at executive meetings in 1954.

An interesting discussion took place at an executive meeting regarding the location and cost of the annual banquet and dance. The executive agreed that they did not want to move the banquet and dance from the Banquet Room to the Ballroom at the Bessborough because there was no assurance that high class music in the Ballroom was available. Apparently, the superior Kenny Peaker band had a stronger affinity for the more aristocratic Banquet Room.

An item of the 1954 minutes refers to the fact that the Ag. Grads refused to pay the Composers, Authors, and Publishing Association of Canada Ltd. a fee for music played by Kenny Peaker. Rupert Ramsay, Director of Extension Department and Bill Miner of A.S.A. stated that they had not responded to a similar request. It is interesting to note that the same Canadian Group are still asking for this fee each year.

The Ag. Grads were busy in 1954 collecting money from farmers who had indicated they would give wheat or equivalent dollars to the Memorial Union Building fund.

For the first and only time the Tommy Fraser Memorial award was presented jointly to a student in the College and School. There was a recommendation, however that an award similar to the Tommy Fraser be obtained for the School of Agriculture.

The Association executive drew to the attention of the membership that there were vacancies occurring in the Senate and that the S.A.G.A. should nominate strong candidates to contest these vacancies.

The Association representative to the Advisory Council of the College of Agriculture reported that a new swine barn was being contemplated and that a new class in public speaking, which was recommended by the S.A.G.A., has been included in the curriculum of the College.

The first discussion of a Western College of Veterinary Medicine on the campus occurred at a meeting of the Advisory Council to the College of Agriculture. The S.A.G.A. had strongly recommended that a Veterinary College be established on the campus.

There was a suggestion that a herd of Hereford cattle be established on campus. The Advisory Council to the College of Agriculture recommended that "it is better to build one good herd of Shorthorns rather than a number of herds of lesser quality". It is interesting to note that even the Shorthorn herd is now non existent on the campus.

The executive agreed that a veterans event in curling should be held in 1955 and that four sides of bacon donated by Intercontinental Packers Ltd. be given to the winners. The interest rates on money invested from the life membership account were $2\frac{1}{2}$ - $3\frac{1}{4}$ percent.

1955

The Twentieth Annual Meeting and Fifteenth Lecture Series was held January 11, 1955 in the Auditorium of Kirk Hall.

The Association obtained a box number at the University Post Office at a rental of \$1.50 per year. The University Hospital, the Memorial Union Building and the Murray Memorial Library were officially opened in 1955. There was a heated debate on the suggestion of dropping the word "College" from the name of the Association.

The "ayes" finally won out and the word "College" was dropped from the name. A total of 48 rinks competed in the bonspiel, only one team was entered in the veterans event. They did not receive the sides of bacon because there was no competition. No record is available as to what happened to the bacon. The winner of the annual Field Day was to receive \$25.00 and a life membership in the Association.

The Association, in co-operation with the Regina Branch of the S.I.A. entered a float in the Provincial Exhibition Parade in Regina, the cost to the Association was \$17.00. This was a promotional activity for the S.A.G.A. and S.I.A. There was a general feeling that the money used for the float could be used more wisely on another project.

There was considerable discussion in 1955 on the rules and regulations for the bonspiel. The whole question centered around whether or not non-Grads could curl and if eligible, the position they could play. Definite rules are to be drawn up for the 1956 bonspiel.

The 1955 graduating class in the School of Agriculture donated a trophy for a sportsmanship award, comparable to the Tommy Fraser award in the College, to the graduating class in the School of Agriculture. The first recipient was G. D. Donald.

1956

The Twenty-first Annual Meeting and Sixteenth Lecture Series was held January 9 and 10, 1956 in Convocation Hall and Auditorium, Kirk Hall.

Forty-six rinks competed for the Kirk, Rutherford and Skelly trophies - a veteran's event was not held in 1956.

The Sunday tea was held in the Memorial Union Building, with the graduating class of 1936 of the College and School of Agriculture being honoured. There was a motion in 1956 that six newsletters be published annually. It never happened.

There were 500 paid up members in 1956. The Ag. Grad ring made its first appearance in 1956. Six Agricultural Colleges across Canada had accepted the ring as a symbol of graduating from an agricultural college. Dr. John Mitchell, Head, Department of Soil Science and the first President of the Association, died in 1956. John Mitchell had been

a strong motivating force in the growth of the Association, and the development of the College was foremost in his mind at all times.

The representative of the Association on the Farm and Home Week planning committee reported that delegates to the meetings would no longer receive special excursion rates on the railways, since this subsidy was being discontinued. It was in 1956 that more formal steps were taken to have two representatives, the President and the Secretary from each participating organization on the Farm and Home Week planning committee.

An interesting debate and discussion at many annual meetings centered around the Association's budget. There were those who continually wanted to spend the money that was in the life membership account and the executive wanted the money invested to pay for servicing those members. The sentiment expressed was that the Association use some of the money to honor distinguished agriculturists by hanging their portraits in buildings or erecting plaques to signify their contributions to Agriculture, the University and the Province.

The A.S.A. reported to the Ag. Grads that in 1956 they had received lounge space on the top floor of the Field Husbandry Building. The Ag. Grad Association gave the students authority to have a money raising project during the 1957 Reunion activities.

1957

Variety must be the spice of life as the Twenty-Second Annual Meeting and Seventeenth Lecture Series was held in Convocation Hall, the fifth different location in the past seven years. The Annual Meeting discussed at length, the role of the news editor and how the membership could assist the news editor in gathering of information and mailing of same. It was reported that the John Mitchell Memorial Fund had reached \$4724.00, however, more contributions were required.

The investment fund from the life membership account had reached \$2550.00, quite a contrast to a revenue of \$109.50 in 1935, the first year of the Association.

There was considerable pressure by the membership to have buildings on the campus named after John Mitchell, John G. Rayner and Evan A. Hardy.

The Executive suggested that the class of each ten year period since graduation be recognized and that the class of the 20 year period since graduation be the honor year. The Grads of 1938 would be honored in 1958, and at the same time Grads of 1948, 1938, 1928 and 1918 would be recognized.

The Association was particularly concerned about the low enrolment in the School of Agriculture, and it was recommended that greater effort be directed toward the recruitment of students.

There was considerable discussion about the problems encountered with Agricultural Graduates specializing in Agricultural Mechanics since they are discriminated against when applying for engineering jobs.

A detailed study of the cost of servicing the membership showed that it requires \$0.70 - \$0.80 per member annually. The revenue from life membership investment is not sufficient to provide services for the life membership. The new schedule for life membership fees would start at \$30.00 rather than \$20.00 with a credit of one-half for annual fees paid to date.

The Association was concerned about the liaison between graduates and the student bodies of the School of Agriculture and the College of Agriculture. There was a feeling that there should be a closer relationship between the student bodies and the Ag. Grads.

1958

The Twenty-third Annual Meeting and Lecture Series was held on January 13 and 14, 1958 in Convocation Hall. The bonspiel, held on January 10 and 11, had an entry of 40 rinks, the Smoker on Saturday night attracted 85 curlers, and the tea on Sunday drew a good crowd. A fun fest was held Monday evening in Kirk Hall and with the banquet and dance Tuesday night, January 14, at the Bessborough, the Ag. Grads were provided with five very busy days of reunion activities.

The Mitchell Memorial Fund reached \$4840.56, and is earning six percent interest. The S.A.G.A. agreed to assist the A.S.A. in

refurnishing the lounge, top floor, Field Husbandry Building. Money from the "problem patch" column in the Western Producer would also help pay for furnishings. The first discussion on preparing a plaque containing a list of the names of honor life members and a composite picture of all past presidents occurred in 1958. Federated Co-operatives agreed to stand the cost of printing a list of graduates for distribution to the members. Dr. K. W. Neatby, a long time friend and worker for the S.A.G.A. died in 1958. Dr. Neatby was a banquet speaker in 1942, had been an ardent supporter of the Association and particularly the College of Agriculture at the University of Saskatchewan.

1959

Convocation Hall was the location for the Twenty-fourth Annual Meeting and Nineteenth Annual Lecture Series on January 12 and 13, 1959. The president made special reference to the value of the Association to the membership in providing an opportunity for fellowship, closer ties with the College of Agriculture and the Agricultural student body.

Forty-six rinks, an unprecedented number, entered the bonspiel, and a record crowd, 149, attended the Smoker held at Intercontinental Packers on Friday night rather than Saturday night as in previous years. Lynn Thompson, Wolseley, received the first John Mitchell Memorial Scholarship.

Reference was made again to the fact that if Agros are to have an influence in University Government that the S.A.G.A. must nominate strong candidates to vacant positions on the University Senate.

A very interesting discussion was initiated by the Saskatchewan Institute of Agrologists who asked the S.A.G.A. to relinquish its position on the Advisory Council to the College of Agriculture to the S.I.A. claiming that a professional organization rather than a fraternal organization could more effectively represent agricultural interests. The S.A.G.A. agreed not to give up its position and wished S.I.A. success in obtaining representation on the Advisory Council.

A special project of the S.A.G.A. to celebrate the Fiftieth Anniversary of the Province of Saskatchewan was the printing of a graduation booklet. The project was financed by Federated Co-operatives

and spearheaded by E. W. McKenzie. Special reference was made each year on the important role performed by the editor of the newsletter. The newsletter which was initiated the first year of the Association, has continued ever since, to be distributed three or four times annually. The newsletter is the most effective liaison the Association has with the membership.

1960

The Association reached a milestone in 1960, having completed 25 years of service. The Twenty-fifth Annual Meeting, January 11 and 12, 1960 was held in connection with the Twenty-eighth Annual Farm and Home Week.

The membership in the Association reached 802, made up of 52 honorary life members, 250 life members and 500 annual members. All 1959 graduates of the College and School of Agriculture joined the Association, a 100 percent sign up.

There were 44 rinks entered in the Ag. Grad bonspiel which was held at the city curling rinks. The Smoker was attended by 173 curlers and friends, the largest number to date and a profit of \$227.50, a rare occurrence, was made on this event.

The Association asked the University Administration to name the School of Agriculture Building "Kirk Hall". There was further discussion in 1960 on the possibility of a Western College of Veterinary Medicine on the campus. The S.A.G.A. had repeatedly supported the need of a Veterinary College in Western Canada on the campus of the University of Saskatchewan. The executive developed plans in 1960 to hold a veteran's curling event in 1961 for curlers 48 years and over.

1961

The Twenty-sixth Annual Meeting and Twenty-first Lecture Series was held in Convocation Hall and Auditorium of Kirk Hall on January 9 and 10, 1961. Membership in the Association had remained constant, around the 800 mark, for the past ten years in spite of

efforts for improvement. The reunion events continue to bring many grads to the campus and Saskatoon. The executive were concerned that grads who attended the curling events do not stay for reunion activities and the Lecture Series on Monday and Tuesday. It was reported that the School of Agriculture Building had been renamed Kirk Hall. The executive agreed to obtain photographs of all past presidents and to have them suitably mounted and hung in the hallway of the John Mitchell Building. The Agricultural Students' Association held their Agro Show in 1961.

1962

The Twenty-seventh Annual Meeting and Twenty-second Lecture Series was held on January 8 and 9, 1962, in Convocation Hall and Auditorium, Kirk Hall.

The membership in the Association dropped to 711 which was of concern to the executive. A special drive to raise the membership to 900 or better was successfully undertaken in 1962. The entries in the bonspiel were down to 38 rinks, however 143 attended the Smoker held at Intercontinental Packers Ltd.

Plaques for the John Mitchell Building and Kirk Hall were obtained by the Association. These plaques were placed in suitable locations during special commemorative services. There was agreement that the photographs of the past presidents and the honorary life membership plaque would be hung in the John Mitchell Building.

1963

The Twenty-eighth Annual Meeting held on January 7 and 8, 1963, had good news for the Association. The membership, for the first time in the history of the Association, went over the 1000 mark. The Registrar reported 58 honorary life members, 702 annual members and 248 life members. The smoker was attended by 189 members and friends and the Sunday tea had 233 guests. A record number of 289 attended the annual banquet and dance at the Bessborough.

It is interesting to note the gradual increase in the cost of distributing the newsletter; printing and mailing costs for the newsletter came to \$495. During the first year of operation, 1935, the total cost of all items, stamps, stationery, office supplies, stenographic assistance, index cards, mimeographing, and exchange on cheques came to \$49.89, as the executive mailed 67 business letters and 1300 circular letters to graduates and business organizations.

A close friend and worker for Agricultural Grads, The Dean's Secretary, Miss Bernice McGrath was married to Ernie Williams in 1963 and moved to Vancouver. Miss McGrath was presented with a special citation and a life membership certificate on behalf of the S.A.G.A.

Concern was again expressed in 1963 on the student relationships between the Agricultural College students and our Ag. Grad Association.

Evan Hardy, a Professor of Agricultural Engineering and Manley Champlin, Professor of Field Husbandry, two early pioneer professors of the College of Agriculture, died in 1963. There was a suggestion that graduate pictures would be hung in the new addition to the Mitchell Building. The college is still waiting for the new addition. The Association went on record as making an all out effort to get faculty out to the reunion activities. Their participation in recent years had been disappointing.

1964

The Twenty-ninth Annual Meeting of the Association was held on January 13 and 14, 1964. A record 52 rinks competed in the Ag. Grad Bonspiel on January 10 and 11. For the first time, the Sunday tea was held in the new Memorial Union Building. The Smoker was held at Intercontinental Packers. Bonds, certificates and securities purchased from the life membership account now total \$4050.00.

Change is inevitable. During 1964, there was considerable deliberation on the wisdom of holding the annual banquet and dance on Tuesday evening, because many grads had gone home after curling on Saturday and the tea on Sunday. There was discussion about having a bar in connection with the annual banquet and dance.

The Ag. Grads over the years have had quite an involvement in Farm and Home Week, and particularly the printing of the proceedings. The Association performed an editorial role and also assisted with sponsorship of advertisements in the Proceedings.

The S.A.G.A. made representation to the University of Saskatchewan requesting the Agricultural Engineering Laboratory be renamed the Hardy Laboratory in recognition of Professor Evan A. Hardy. The new R.O.P. station for the testing of purebred beef bulls was officially opened in 1964.

1965

The Thirtieth Annual Meeting and Twenty-sixth Ag. Grad Lecture Series was held on January 11 and 12, 1965 and served as an official inaugural for the Celebrate Saskatchewan's Fiftieth Anniversary as a Province. The Annual Reunion honored the 1945 graduates, and also those who were enrolled in the Class of 1912 and graduated in 1915. The Classes of 1955, 1935 and 1925 were also recognized at the reunion activities. The membership reached 1104, the highest on record.

A study of the Ag. Grad membership undertaken in 1965 indicated that 18 percent lived in Saskatoon, 80 percent stayed in Saskatchewan and three percent lived outside of Saskatchewan. The study also revealed that 23 percent of the total membership graduated in the five year period 1960 - 1964.

The Annual Meeting suggested that better facilities than Convocation Hall should be obtained on the University Campus for Farm and Home Week meetings. Because of the drop in enrolment in the College of Agriculture, the Association agreed to do all in its power to assist in encouraging more students to enroll.

Dean Les Hutcheon died suddenly while at work in 1965. A group of Grads suggested that a trophy as a memorial to Les Hutcheon be obtained for the Veterans' Curling event.

1966

The Annual Meeting held on January 10, 1966, received a

report that 600 annual members were at least one year in arrears in payment of fees. The Association membership was down to 846. An attractively designed certificate, properly lettered and signed was mailed to all former recipients of the Tommy Fraser award. As a result of an energetic campaign, 123 Grads took life memberships which provided an income of \$3075.00.

The three immediate past presidents of the Association were appointed as the nominating committee for officers and honorary life memberships. The tickets for the banquet and dance were raised to \$4.25, but only after considerable debate. The Association undertook to defray the costs of having former Dean Rutherford installed in the Agricultural Hall of Fame, Royal Winter Fair in Toronto. The minutes of the Annual Meeting refer to a letter written to the executive from Mike Kindrachuk, President of the University Alumni, thanking and congratulating the Ag. Grad Association on its service to the Province and the University of Saskatchewan.

1967

The Thirty-second Annual Meeting and Twenty-eighth Lecture Series was held on January 9 and 10, 1967. Because of Canada's Centennial Celebration, a special Lecture Series was arranged. Internationally known speakers, Dr. G. A. Hissocks, Dr. M. W. Menzies and Mr. A. G. Leeks, were on the program. The presiding officer and 1966 President, Dr. P. J. Thair stated in his address to the members:

"As I see it, the purposes of the S.A.G.A. are to promote fellowship and communicate among Saskatchewan Agricultural Graduates, to provide intellectual stimulation and to help keep graduates informed of recent developments in the field of Agriculture."

Steps were taken in 1964 to establish a new system using the computer for recording of memberships and the preparation of address labels for mailing newsletters.

The life membership number increased to 346 during the past year, producing a life membership income of \$3879.46. The Association handled \$3470.71 in the regular account during the past year, an indication of the amount of business conducted. There was a strong

recommendation in 1967 that the bonspiel entry be increased to 64 rinks in the regular events. There was also agreement that 10, 30, 40, 50 reunion and 20 year honor ribbons be printed for distribution at the time of the reunion activities.

1968

The Thirty-third Annual Meeting and the Twenty-ninth Ag. Grad Lecture Series was held on January 8 and 9, 1968. Ladies socials were held in the homes of Ag. Grads in the city. This was a first.

The Registrar reported there were 510 annual and 523 life memberships paid up. This was the first time that the number of life memberships surpassed the annual memberships. Since the Association had \$8000.00 invested from life memberships, Ernie McKenzie suggested that the money could be spent to a much better purpose than just collecting interest.

The annual meeting received a report that enrolment was up in the first years of the College and the School. There were 147 in first year College and 125 in first year School of Agriculture. Both enrolments were the highest since the post war boom.

The College of Agriculture was pressing for a feed testing laboratory on the campus.

A record number of 242 attended the Friday night Smoker, 300 registered for the Monday night social, and a record 60 rinks were entered in the bonspiel to compete for four trophies, the Kirk, Rutherford, Graham and Skelly. Dr. L. E. Kirk, Honorary President in 1967-68 gave the address of welcome to the assembly. Dr. Kirk challenged the Association to write a history of its involvement in University of Saskatchewan Farm and Home Week. The Grads of 1948 presented a new trophy for curling called the Graham Trophy. Eric Beveridge, representing the class of 1926, presented the Hutcheon trophy for the Veterans' curling event. During 1968, for the first time, the Association held two reunions during the summer, one at the Research Station at Melfort and the other at the Ossie Dodge farm at Shellbrook. There was considerable discussion in 1968 as to the feasibility of a women's auxiliary of the Association. It is noteworthy to record

that from 1965 to 1970 there was considerable student unrest on the campus. This was of concern to the Ag. Grads. The executive agreed, in 1968, to use the computer in the preparation of the mailing list of Association members.

1969

The Thirty-fourth Annual Meeting and Thirtieth Lecture Series was held in Convocation Hall on January 13, 14, 1969.

The Annual Meeting agreed to donate \$100 per year for the next six years to the University of Saskatchewan National Campaign for funds. Participation records were established at the 1969 reunion activities; 72 rinks competed in curling, 266 grads and friends attended the Smoker, 84 ladies attended the Smokette and 265 guests took in the Sunday tea. The cost of the banquet and dance remained at \$5.00.

It was reported to the Annual Meeting that 1749 diplomas have been granted from the School of Agriculture since the start of the program. There was considerable discussion at the Annual Meeting about the problems between students and the University Board of Governors - students wanted more input into University operation and decision making. The Agricultural Students' Association asked the Ag. Grads to assist them in discussions with the Administration about their concerns on the operation of Residences, the Bookstore and registration procedures.

The Ag. Grads were asked to become involved in a study called the Future Role of the College, which was in progress. The Feed Testing Laboratory became a reality in 1969. Dr. L. E. Kirk, former Dean and strong supporter of the Ag. Grad Association died. There was considerable discussion within the Association as to the name for the ladies social. The suggestion of "Hen Party" was not very popular. The idea of "Smokette" was quite well received.

1970

Convocation Hall was the location for the Thirty-fifth Annual Meeting and Thirty-first Lecture Series on January 12 and 13, 1970.

The Sunday Tea was attended by 250, with 252 in attendance at the Smoker. For the first time, the annual banquet and dance was held on a Monday, the cost being \$5.50 per person.

The Van Vliet Memorial Fund stood at \$10,980.00 and was invested at 6 3/4 percent. The revenue from the fund was to provide a graduate scholarship in Agricultural Economics at a recognized University.

There was considerable debate at the Annual Meeting and during the executive meetings in 1970 as to who is eligible to curl in the bonspiel. The discussion centered around Agricultural Engineers. The Grads of the 1950 class were the honored with recognition given to the graduating classes, 1950, 1940, 1930 and 1920. Investments of the life membership account were yielding 8 3/4 and 9 percent interest.

A new schedule for life memberships was established in 1970 for ratification at the 1971 Annual Meeting of the Association.

<u>Years since graduation</u>	<u>Fee</u>
0 - 5	\$50.00
6 - 10	\$35.00
11 - 15	\$30.00
16 - 20	\$25.00
21 +	\$20.00

1971

The Thirty-sixth Annual Meeting and Thirty-second Annual Lecture Series was held in Convocation Hall on January 11, 1971.

The Hadley Van Vliet Memorial Fund reached \$11,014.84. The fund was transferred to the University of Saskatchewan Controller for management purposes. Glen W. Herndier was awarded the first Hadley Van Vliet Memorial Scholarship.

Sixty rinks took part in the regular bonspiel events and seven rinks participated in the Hutcheon event. The life membership account has \$9,000.00 invested in securities. There was an expression of dismay that the records of the Association were still in boxes in homes and offices. These historical records should be in the University Archives. There was a strong concern about the drop in enrolment in

the first year College program. The enrolment was the lowest in ten years. However, the School of Agriculture had an increase in enrolment.

The Annual Meeting was informed that the membership list was now on the computer and therefore the labels for mailing newsletters were computerized. A resolution was passed at the Annual Meeting urging the Board of Governors of the University and the Government of Saskatchewan to provide more funds for scientific development.

A major revision of the Constitution occurred at the 1971 Annual Meeting to provide for a new fee schedule for life memberships and to establish a new wording for the various member categories.

The Association was informed that the Department of Crop Science had prepared a brief to the Saskatchewan and Canada Departments of Agriculture on the need for a Crop Research Institute. The study on the Role of the College of Agriculture was still continuing.

The University of Saskatchewan Alumni agreed in 1971 to support the Ag. Grads by printing the banquet program.

The first mention of a Saskatchewan Agricultural Hall of Fame appeared in 1971. The Association agreed to have a membership in the organization and was a founding member of the Saskatchewan Agricultural Hall of Fame. A. G. "Bud" Smith was named as the first representative from the Ag. Grads.

The Association executive agreed that the rigors of curling, the banquet and dance, the Smoker and Smokette, the Sunday Tea and other socials were taking their toll and therefore the Annual Meeting should start at 10:00 a.m. and not 8:30 or 9:00 a.m. A monumental decision.

Harold Moss, one of the early grads, received an Honorary Doctor of Laws Degree from the University of Saskatchewan at the 1971 spring Convocation. Dr. Moss has Number 1 life membership card in the S.A.G.A.

1972

Room 241, Arts Building was the location for the Thirty-seventh Annual Meeting and Lecture Series held on January 10 and 11, 1972.

The annual banquet and dance was held at the Centennial Auditorium. The price of a ticket was \$5.50 and 352 people attended. There were 58 rinks in the open events and 10 rinks in the Veterans' (Hutcheon) event.

There was considerable discussion about changing some of the names for the curling trophies but it was finally agreed to leave them as they were. The Annual Meeting in 1972 received a report from the representative to the Advisory Council that the Crop Development Centre was established and operating and that the College of Agriculture was twinned with the University of Makerere, Kampala, Uganda.

The Annual Meeting and the Association executive hotly contested that the suggestion that a ladies program of curling be incorporated with the Ag. Grad curling with the result that the idea was shelved. The Agricultural Hall of Fame, located in the Western Development Museum was opened in 1972. It was during this year that the historical material of the S.A.G.A. was placed in the University Archives, Murray Memorial Library.

1973

The Thirty-eighth Annual Meeting and Thirty-fourth Annual Lecture Series was held on January 8, 1973, in the Quance Lecture Theatre, Education Building.

The first wine and cheese social, the "Smokette" was held in the upper lounge of the Exhibition curling rink for the ladies. A total of 251 attended the Smoker. The Sunday tea for the first and only time, was held at the Western Development Museum, because of the first inductions into Saskatchewan's Agricultural Hall of Fame.

Fifty-eight rinks participated in the main curling events and 10 rinks were entered in the Hutcheon event.

A study of the Ag. Grad membership showed that:

32 percent of the Grads of the 70's hold a membership in the S.A.G.A.

49 percent of the Grads of the 60's hold a membership in the S.A.G.A.

36 percent of the Grads of the 50's hold a membership in the S.A.G.A.

44 percent of the Grads of the 40's hold a membership in the S.A.G.A.

During 1973, the Association devoted considerable time trying to decide what to do with the millstones which were located behind the Livestock Pavilion. The millstones according to information received, were left to the University because of the important role early gristmills played in the settlement of Western Canada.

The University of Saskatchewan Alumni helped with the mailing of the December Ag. Grads newsletter.

1974

The Thirty-ninth Annual Meeting and Thirty-fifth Annual Lecture Series was held January 14, 1974, in Room 241 Arts Building. The bonspiel had 60 rinks in the open events and eight rinks in the Veterans event. The Smoker and Smokette were well attended. The annual banquet and dance was held in the Centennial Auditorium.

There was a suggestion that the Association should place a plaque near Room 104, College Building (now Administration Building) where the first meeting of the Association was held.

There was much heated discussion at the Annual Meeting as the Association had been advised that it would no longer have membership on the Advisory Council to the College of Agriculture. A strong letter of protest was to be written to the Dean of Agriculture and Secretary of the Board of Governors of the University expressing the Association's disapproval of the decision to discontinue the S.A.G.A. membership on the Advisory Council.

The suggestion appeared during 1974 that the format for the Ag. Grad Annual Meeting, Lecture Series, Reunion and Bonspiel should be changed to have the Lecture Series on Friday morning of Farm and Home Week followed by the Annual Meeting in the afternoon. Curling would start Friday afternoon, Smoker and Smokette Friday evening, Curling continue on Saturday and Sunday with the annual banquet and dance Saturday evening.

The Ag. Grads held the first and only golf tournament to date at Swift Current on June 8, following the S.I.A. Annual Meeting. The

tournament coincided with Dean White's retirement.

The millstones were still looking for a home and the Association was still debating what to do with them.

1975

The Fortieth Annual Meeting and the Thirty-sixth Lecture Series was held in Room 143 Arts Building. Tickets for the annual banquet and dance, held at the Sheraton Cavalier, were \$7.50 each and 496 were sold. The Sunday afternoon tea, held for the first time at the Sheraton Cavalier Hotel, was attended by 150 Grads and friends. The program schedule for the Ag. Grads reunion activities, Annual Meeting and Lecture Series took the new format in 1975 with the Lecture Series and Annual Meeting held prior to curling and social events.

Historical events occurred during the Fortieth Annual Meeting and Reunion activities. The Hadley Van Vliet Memorial Library in Kirk Hall was officially dedicated with Pauline Van Vliet unveiling the plaque. It also marked 50 years since the founding of the Department of Agricultural Economics (formerly Farm Management).

Recognition of the founding meeting of the Association was also part of the Reunion activities. Sol Sinclair, Howard McDonald and Harold Moss, three Ag. Grads who were in attendance at the first meeting, May, 1935, took part in the special ceremony. The 60-year Reunion of the Class of 1915 also took place during the Annual Meeting and associated activities. The Association has \$12,000.00 invested in securities. What a difference forty years make!

Ernie McKenzie, long-time supporter and worker for the Ag. Grads, was killed in a car accident in Regina in 1975.

In 1975, the Association opened an account with the University of Saskatchewan, in order to facilitate the payment for printing and mailing of newsletters.

A plaque was prepared to present to the recipient of the Tommy Fraser Award. All previous winners were also to receive a plaque.

The Association took steps in 1975 to consider obtaining portraits of all former Deans which would be suitably framed and placed in the John Mitchell Building.

The University Alumni made a computer printout of all graduates of the College of Agriculture for the Association.

The millstone project was finally dropped. The Crop Science Department had them placed in front of the Crop Development Centre.

The Association was informed about the inadequacy of space for Agricultural classes and laboratories being provided in the new Engineering Building. The Association wrote letters to the Dean of Engineering, Dean of Agriculture, President and Vice-President of the University, expressing our concern.

The Association prepared a set of guidelines or criteria in 1975 for use in selecting honorary life memberships.

There were 1127 members listed in the Association in October of 1975, a record membership.

1976

The Forty-first Annual Meeting and Thirty-seventh Lecture Series was held on January 16, 1976, in the Quance Lecture Theatre, Education Building.

The Secretary-Treasurer reported that over \$10,000.00 was handled during the past year. During 1976 the investment portfolio was brought up to \$15,000.00

Frank Payne, nephew of former Dean, L. E. Kirk, presented a portrait of Dr. Kirk to the Association. The Association now has a membership of 1122 out of a possible 5000 graduates of the College and School. The largest crowd ever, 550, attended the annual banquet and dance at the Centennial Auditorium on January 17, 1976. A vigorous campaign was undertaken in 1976 to get more members. By April of 1976, the membership had grown to 1324. Of this total, 905 were life members. As a Memorial to the late E. W. McKenzie, an award was established to recognize a student in the College or School of Agriculture who demonstrated excellence in communication skills.

The Association were informed that the women don't give up easily. They still wish to have a joint Smoker-Smokette with the curlers. A special resolution was prepared to indicate in our Constitution that the Association was a non-profit organization. It

should be noted that the Association had the Cosmopolitan Industries, a sheltered workshop for handicapped adults, assist with the mailing of the newsletter.

1977

The Forty-second Annual Meeting and Thirty-eighth Annual Lecture Series was held on January 14, 1977 in the Education Building.

A tradition which started early in the history of the Association, that of remembering those Ag. Grads who had died since the last Annual Meeting, continues to be a part of every Annual Meeting. Fourteen Ag. Grads were recognized in the memorial list.

A membership of 1389 was reported to the Annual Meeting.

The Association was asked to take an active role in supporting the School and Degree programs in the College of Agriculture. The College needs our support.

The newsletters during the past year included several items on the College and the School of Agriculture program as well as a report on the status of the College of Agriculture.

The Annual Meeting recommended that the members-at-large be appointed reporters for the newsletter.

Article 13. Non-profit and dissolution was added to the constitution.

The article stated:

- a) the Association shall conduct its affairs without the purpose of financial gain for its members and any profits or other accreditations to the Association shall be used in promoting its objectives.
- b) in the event of dissolution or winding up of the Association, all its remaining assets after payment of liabilities, shall be distributed to one or more recognized charitable organizations in Canada.

The Annual Meeting passed a resolution declaring the Association's support of the concept of a producer-controlled check off on grains grown in the Canadian Wheat Board area for the purpose of production and marketing research and that the Association members assist in the educational program prior to the March plebiscite.

The membership was informed that a "space survey" study is underway in the College. The College of Agriculture needs, not only

more space, but also additional staff.

1978

The Forty-third Annual Meeting and Thirty-ninth Ag. Grad Lecture Series was held on January 13, 1978 in the Education Building.

Special reference was made to the new look for the Ag. Grad newsletter "The SAGA" and its ready acceptance by the membership.

The Association gave particular support to the College of Agriculture request and the Saskatchewan Institute of Agrologists brief to the Government of Saskatchewan for additional space and staff. Concern of the Association on the need for additional facilities was also directed by our representative on the Advisory Council to the College of Agriculture.

Over \$18,000.00 in business transactions was handled by the Secretary-Treasurer, a fair difference when compared to the first year of operation when the audit report showed that about \$110.00 was transacted.

An energetic campaign for membership conducted in 1977 by mailing letters to 2200 Ag. Grads who were not members and letters to members one year in arrears brought the membership to 1609. An all time record. The membership was made up with 49 honorary life, 1062 life and 498 annual members. The Ag. Grad bonspiel had a full compliment of rinks, and the Lecture Series was attended by 150 graduates.

The meeting was informed that a new English class and a class in public speaking were introduced into the College Curriculum. The student enrolment had increased during the past few years and the College of Agriculture, University of Saskatchewan had the highest student to faculty ratio of the four Western Colleges of Agriculture.

The Annual Meeting gave endorsation to a resolution requesting Saskatchewan Agriculture to establish an Agricultural Research Trust Fund.

The Annual Meeting gave support to the Saskatchewan Agricultural Youth Institute and instructed the executive to forward \$150.00 to aid the 1978 Institute program.

1979

The Forty-fourth Annual Meeting and the Fortieth Lecture Series of the Association was held on January 12, 1979 in the Education Building. The Association had now obtained portraits of all Deans of the College of Agriculture. A suitable location for hanging the portraits was to be determined. The President reported to the Annual Meeting that all archive material of the Association was now located with the University Archives.

The Association became involved in the controversy over the establishment of agricultural courses at the Wascana Technical Institute in Regina. The members present expressed concern that the program at Wascana would become a duplication of courses offered through the School of Agriculture. A committee of the Association met with some of the officials in Regina and letters expressing our concern were sent to cabinet ministers and Department of Education and Agriculture officials in Regina.

The membership approved continued support for the Saskatchewan Agricultural Youth Institute.

The annual membership fee was increased to \$4.00.

A new fee schedule of life membership was approved at the Annual Meeting.

<u>Year since graduation</u>	<u>Fee</u>
0 - 5	\$50.00
6 - 10	\$45.00
11 - 15	\$40.00
16 - 20	\$35.00
21 +	\$30.00

Two Ag. Grads, D. R. Robinson and J. D. MacFarlane were inducted into Saskatchewan's Agricultural Hall of Fame. It is interesting to record that the financial report to the Annual Meeting showed receipts totalling \$22,626.34 and an investment of \$28,000.00 in the life membership account. The executive at a meeting on January 5, 1979, approved the idea of writing a history of the Association. The

Class of 1949 collected \$2400.00 to establish a "49ers Visiting Lecture Fund" to be used to bring visiting lecturers to the students. The Vice-President of the Ag. Grads was named to a committee to oversee the use of the fund. A full complement of 64 rinks entered the regular Ag. Grad 'Spiel and 18 rinks, an all time high, entered the Hutcheon event. The Lecture Series was well supported. A new record attendance of 835 attended the banquet and dance. This is in contrast to 46 who attended the first banquet. The Smoker registered 435, another all time high. The executive requested that steps be taken to encourage more undergrads to attend reunion activities as this would help to promote memberships in the Association. A decision was made in 1979 to combine the Smoker and Smokette into one function.

Membership Report

<u>Year</u>	<u>Honorary</u>	<u>Life</u>	<u>Annual</u>	<u>Total</u>
1973	51	521	497	1069
1974	49	561	471	1081
1975	48	586	488	1122
1976	50	884	455	1389
1977	49	1062	498	1609
1978	50	1116	411	1584
1979	48	1280	405	1733

The Association was informed that Bill #346, which established the Agricultural Research Funding Act, was introduced into the Provincial Legislature in 1979. The Association had considerable discussion about the steps that should be taken in the search for a new President of the University of Saskatchewan. The Association agreed that it would not provide lists of members to other organizations.

1980

The Forty-fifth Annual Meeting and Forty-first Ag. Grad Lecture Series was held on January 18, 1980 in the Education Building.

There were 18 names on the memorial list including three former Presidents of the Association, G. Bell, O. R. Mooney and O. B. Young.

The Association received a \$3,000.00 grant from Celebrate

Saskatchewan Committee toward the cost of publishing the history of the S.A.G.A.

The fiscal year of the Association was changed from the calendar year January 1 to December 31 to January 1 to October 31 in order to accommodate the auditing of the books.

The Registrar reported record membership of 1733 was achieved in 1979. It was interesting to note that 1280 of this membership are in the life member category.

The membership was informed that the Shebeski report to the University questioned the ownership of agricultural farms by the College of Agriculture. A special committee was established to bring in a more detailed study on this aspect of the Shebeski report. Concern was expressed at the meeting that there are not sufficient numbers of grads taking post graduate work to meet the demand.

The Grad curling had a full slate of 64 rinks with an additional 18 rinks in the Hutcheon event. The first joint Smokerette was held in the Wheatlands Building, Exhibition Grounds, and was attended by 536 people. The ladies, after many years of urging, finally won their battle. The number of honour year members returning for their reunions continues to grow, 380 reunion year members and spouses were in attendance.

The annual banquet and dance held at the Centennial Auditorium cost \$10.00 per person. At one time the Grads were asked to keep the 1936 banquet price at \$0.50 per person.

The Ag. Grads submitted the name of Ross Greenshields as a candidate for Chancellor of the University. (Note: Ross was not elected but he gave it a good try.)

A campaign for members conducted early in 1980 brought in 101 annual and 46 life memberships.

The Association made a \$200.00 donation to the Third Agricultural Youth Institute held at the University of Saskatchewan and Camp Rayner in 1980.

SASKATCHEWAN AGRICULTURAL GRADUATES' ASSOCIATION
CONSTITUTION
January, 1980

ARTICLE 1. Name

The name of this organization shall be "THE SASKATCHEWAN AGRICULTURAL GRADUATES' ASSOCIATION".

ARTICLE 2. Objects

- (a) To promote the social interests of graduates of the College and School of Agriculture, University of Saskatchewan.
- (b) To promote closer relationships among graduates and between the graduates and the college, including both faculty and students.
- (c) To keep graduates informed of recent developments in the various fields of agriculture. (Amend. 1965).
- (d) To co-operate with the University Alumni Association in its efforts to promote the interests of the University as a whole.

ARTICLE 3. Membership

There shall be four classes of membership:

1. Graduates of the Saskatchewan College and School of Agriculture, regular or ad eundem, Degree or Diploma, and any persons who have discontinued either the Degree or Diploma course after two years without receiving a degree or diploma, and whose class has since graduated, and Graduates of the Saskatchewan College of Graduate Studies with specialization in an Agricultural Science, shall be eligible to become regular members of the Association. (Amend. 1942, 1965, 1966).
2. Graduates of Colleges and Schools of Agriculture other than the University of Saskatchewan and staff of faculties at the University of Saskatchewan which have an association with agriculture may be admitted as Associate Members on payment of the regular membership fee per annum. Such members shall be extended the privilege of full membership in the Association, except that of being an officer of the Association. (Amend. 1948, 1965, 1971).
3. The Association may elect Honorary Life Members at any annual meeting on the recommendation of the Executive, such members not to exceed two per annum. (Amend. 1946, 1948).
4. Persons who can qualify under sub-sections 1 and 2, of Article 3, as regular or associate members, shall upon payment of the Life Membership fee (as per scheduled rate) be eligible to become Life Members of the Association. (Amend. 1948, 1971).

ARTICLE 4. Officers

- (a) The officers of the Association shall be:

1. Honorary President	5. Secretary-Treasurer (Amend. 1965)
2. Past President (Amend. 1949)	6. Registrar
3. President	7. News Editor (Amend. 1946)
4. Vice-President	
- (b) The officers mentioned in the above section, with the exception of the Past President, shall be elected annually.
- (c) The executive of the Association shall consist of the following elected members.
 - 1. The officers of the Association. (Amend. 1948).
 - 2. The representative of the Advisory Council for the College of Agriculture, and representative to be elected at the annual meeting by the Association and to hold office for three years. (Amend. 1948, 1965).
 - 3. Ten other members, to be elected by the Association and to hold office for two years, five of such members to be elected by the Association annually. (Amend. 1952).
 - 4. Four executive members-at-large to be elected by the Association annually. (Amend. 1952).
 - 5. The representative to the Board of Directors of the Saskatchewan Agricultural Hall of Fame, such representative to be elected at an annual meeting by the Association and to hold office for two years. (Amend. 1973).
- (d) The executive of the Association shall further include:
 - 1. A representative of the undergraduate membership of the College of Agriculture, to be named by the Agricultural Students' Association and to hold office for a term of one year. (Amend. 1948).
 - 2. A representative of the undergraduate membership of the School of Agriculture, to be named by the Saskatchewan Vocational Agriculturalists' Association, and to hold office for a term of one year. (Amend. 1948).
 - 3. The A.S.A. and S.V.A.A. representative shall have full voting privileges in all executive matters.
- (e) Any vacancy on the executive, other than for those positions representing the College of Agriculture and the School of Agriculture, may be filled by the executive, such new members to hold office until the next general meeting of the Association. Unexpired terms on the executive may be filled at the annual meeting; the member so elected to hold office for one year. (Amend. 1948).

- (f) All officers except the President shall be eligible for re-election to the same office. (Amend. 1948, 1965).

ARTICLE 5. Duties of the Officer

- (a) The President shall preside at all meetings of the Association and of the executive committee, shall enforce due observance of the constitution, shall give the casting vote of a tie on any vote except when a returning officer is in charge, shall call all meetings of the Association and of the Executive Committee, and shall be an ex-officio member of all standing and special committees.
- (b) In the absence of the President, Vice-President, shall assume all the duties of the President's office.
- (c) The Secretary-Treasurer shall keep a record of the business of the Association. He shall give notice of all meetings of the Association, executive, regular or special; shall present a written report to the annual meeting and conduct all correspondence authorized by the Executive. He shall receive an account for all moneys belonging to the Association. (Amend. 1965).
- (d) The News Editor shall prepare, edit, and distribute the news circulars of the Association.
- (e) The Registrar shall maintain a register of all members, shall assist in the publishing of newsletters and shall make arrangements for registration of members and visitors attending the Annual Reunion of its affiliated activities.

ARTICLE 6. Care of Funds

The funds of the Association shall be deposited in a chartered bank or other accredited financial institution to the credit of the Association. All payments shall be made in a manner satisfactory to the Auditor; the President or Vice-President and Treasurer shall be authorized signing authorities. A financial statement shall be submitted by the Treasurer to the annual meeting or to any other meeting if requested by the Executive. The Executive shall appoint an auditor who shall audit the accounts of the Association at least once a year. The fiscal year of the Association shall be the period November 1 to October 31 inclusive. (Amend. 1965, 1980).

ARTICLE 7. Fees

- (a) Fees shall be paid annually in advance. The amount of the annual fee shall be set by the Executive, subject to the approval of the annual meeting of the Association. Any member falling in arrears shall be taken off the list of active membership. Such a member may be reinstated with full privileges on payment of the current membership fee. (Amend. 1948, 1973, 1976).
- (b) Life membership fees shall be according to fee schedule as follows:

<u>Year Since Graduation</u>	<u>Life Membership</u>
0 - 5	\$50.00
6 - 10	\$45.00
11 - 15	\$40.00
16 - 20	\$35.00
21 or more	\$30.00

Those who became eligible for membership at 40 years of age or more will be assessed a Life fee of \$40.00 decreasing by increments to a minimum of \$30.00 similar to the regular Life membership fee schedule. Persons becoming eligible for Life membership at age 50 or more shall pay a Life membership fee of \$30.00. (Amend. 1958, 1965, 1971, 1973, 1979).

ARTICLE 8. Voting

The privileges of voting shall be limited to regular and associate members of the Association in good standing. (Amend. 1948).

ARTICLE 9. Meetings

There shall be one annual meeting of the Association, to be held at such time and place as shall be determined by the Executive, and such other meetings as the Executive shall deem advisable.

ARTICLE 10. Order of the Business

The order of business at any meeting of the Association shall be:

- (a) Reading and confirming minutes of the last annual meeting and all intervening meetings
- (b) Unfinished business
- (c) Financial Statement and Report of Auditor
- (d) Communciations
- (e) Reports of Committees
- (f) Resolutions
- (g) Election of Officers
- (h) Announcements
- (i) Adjournment

ARTICLE 11. Quorum

Eight members shall constitute a quorum for the transaction of business at any meeting of the Executive. Ten members of the Association exclusive of the Executive, shall constitute a quorum for the transaction of business at any annual meeting of the Association. (Amend. 1965).

ARTICLE 12. Non-Profit and Dissolution

- (a) The Association shall conduct its affairs without the purpose of financial gain for its members and any profits or other accretions of the Association shall be used in promoting its objectives.
- (b) In the event of dissolution or winding up of the Association, all its remaining assets, after payment of liabilities, shall be distributed to one or more recognized charitable organizations in Canada. (Amend. 1977).

ARTICLE 13. Amendments of the Constitution

This constitution may be amended as follows:

- (a) Notice of the proposed amendment shall be mailed to all members eligible to vote at least thirty days prior to the meeting at which the vote on the proposed amendment is to be recorded.
- (b) The proposed amendment shall be declared carried and shall become a part of this constitution if two-thirds of the membership present at the meeting are eligible to vote thereon, vote in favor of the amendment.

CONCLUSION

Throughout the history of the Saskatchewan Agricultural Graduates' Association, there appears a trend of concerns and interests. The Association has been very interested in the welfare of Ag. Grads in finding employment, the early history makes reference to this on several occasions. The fellowship within the membership has developed a strong sense of belonging and fraternizing with fellow grads. To this end, newsletters have been published, an annual meeting, lecture series and reunions have been held. The Ag. Grads have shown a strong affiliation to the University of Saskatchewan, the College and School of Agriculture, by expressing concern on student relations and curriculum content in the various courses and also by maintaining an active role in the Advisory Council to the College. They have supported campaign for funds for the University, have provided entrance and memorial graduate scholarships, drawn attention on many occasions to the need for more staff and space for the College of Agriculture. The Association has seen fit to encourage members to offer themselves as candidates for Senate and University Chancellor positions. The Ag. Grads have continually been a strong supporter of the University of Saskatchewan Farm and Home Week and have played several leading roles in the initiation of changes in the program. A strong interest has been the recognition of outstanding graduates and others by the awarding of honorary life memberships, naming of buildings on the campus, and installation of graduates into the Saskatchewan Agricultural Hall of Fame.

A most noteworthy achievement has been the steady increase in memberships and the desire to make the Association a strong and active alumni of the College and School of Agriculture. Few alumni groups have received the kind of recognition and achieved the importance of the Saskatchewan Agricultural Graduates' Association.

The archival material of the Association are very complete. The records of the founding meeting, all annual meetings, executive and special committee meetings and reports, newsletters and other pertinent information are housed with the University of Saskatchewan Archives and are available for reviewing.

REGISTER of GRADUATES

1915 - 1980

Diploma 1915

Thomas Edward ANDERSON, Silton
 Renwick William Hunter ANDERSON, Silton
 Vigfus Samundur ASMUNDSON, Tantallon
 John Alexander BINNIE, Tregarva
 Robert William BROADFOOT, Watrous
 Leander Arthur BRYAN, Bridgeford
 Thomas CALDWELL, Yorkton
 Arthur John FAHL, Saskatoon
 Walter James FOSTER, Abernethy
 Theodore Fraser FOSTER, Abernethy
 Thomas HAMPSON, Birch Hills
 James Harvey HARROP, Resource
 William IBBETSON, Bladworth
 Charles Frank JOHNSTON, Jansen
 Walter Lee KIRKPATRICK, Smithville
 Wilbur Allan KIRKPATRICK, Smithville
 Allan Shaw KYLE, Heward
 Klass Leo PETERS, Waldeck
 Harold Francis QUICK, Maple Creek
 Arthur Hughes SARGEANT, Bawlf, Alta.
 Allan A SMITH, Saskatoon
 Howard Bruno SOMMERFELD, Saskatoon
 Edwin Ernest THOMSON, Wolseley
 Pontus Emmanuel WICKLUND, Mutrie
 Henry ZINKHAN, Regina

Degree 1915

John STRAIN, Birch Hills

Diploma 1916

Leander BIEHN, Guernsey
 James R. T. FORBES, Saskatoon
 *Oscar William GOULDEN, Ebenezer
 Albert Frederick LOVERIDGE, Grenfell
 *John Duncan MacFARLANE, Abernethy
 *William Gladstone McNAUGHTON, Qu'Appelle
 Dell Henry PERLEY, Wolseley
 *Thomas ROWLES, Alsask
 Urban THOROUGHGOOD, Wolseley
 *Grover WHITTINGHAM, Edgeley

Degree 1916

Edward Cecil SACKVILLE, Saskatoon
 Henry SAVILLE, Wiwa Hills

Diploma 1917

Marshall ADAMS, Saskatoon
 J. Bruce MAXWELL, Loversna
 Hubert MILBURN, Prince
 Peter PETERS, Waldeck
 *Horace SALTER, Saskatoon
 Robert W. SIMS, Grenfell

Degree 1917

Arthur Wellesley HENRY, Mildren
 Lawrence Eldred KIRK, Moose Jaw
 Everton Alexander LLOYD, McGee
 Hugh ROSS, River John, N.S.
 William Elliott WALKER, Kerrobert

Diploma 1918

Cyril Howard GOULDEN, Ebenezer
 *David Robert GREEN, Moose Jaw
 Everitt Caradine JARVIS, Hanley
 Milford Roy KIRK, Asor
 *Milton Kenneth KNUDSON, Yorkton
 *Thomas Bruce McDONALD, Glenside
 Wilbur SOMMERFELD, Saskatoon
 Floyd Ellsworth YOUNG, Kinley

*Overseas

Degree 1918

Vigfus Samundur ASMUNDSON, Tantallon
 John CAMERON, Floral
 Erle Eli EISENHauer, Lunenburg, N.S.
 John Kenneth MacKENZIE, Boulardarie, N.S.

Diploma 1919

*H. James BREDIN, Condie
 Emanuel Edward BROCKELBANK, Rockhaven
 William H. HOLMES, Assiniboia
 Ralph JOWSEY, Dunleath
 Albert Alexander KIRK, Asor
 Jacob E. KRATZERT, Guernsey
 John H. MILLER, Elbow
 Maxwell Fitzgerald NELSON, Colonsay
 Percy Joseph NELSON, Colonsay
 Thomas ROWLES, Alsask

Degree 1919

Geoffrey Baldwin BODMAN, Dilke
 John Franklin BOOTH, Semans
 Wilbert Edgar LAKE, Edam
 Wallace Alexander THOMSON, Pense

Diploma 1920

David Arthur GIBSON, Yorkton
 Frederick Howard HEXTALL, Peebles
 Gordon William KIRK, Asor
 Allan Shaw KYLE, Reston
 J. Gordon LEITCH, Jansen
 Gordon Thomas LOVERIDGE, Grenfell
 Harold Charles MOSS, Strasbourg
 Orlo C. REDPATH, Biggar
 Ross W. RENWICK, Milestone
 Robert Hugh SMITH, Regina
 William John Finlay WARREN, Belbeck

Degree 1920

James Bishop HARRINGTON, Maple Creek
 Stanley Horace VIGOR, London, England
 James WADDELL, Milestone

Diploma 1921

Elmer G. ANDREEN, Allan
 Gerald Stillman BRADISH, Willow Bunch
 Lester Howard FEENIE, Evesham
 Donald Alexander McINTOSH, Whitewood
 Hugh Cameron MACPHERSON, Leney
 John MITCHELL, Wycollar
 John Howell MOORE, Francis
 William H. PFEFFER, Elbow
 Gilbert ROSS, Milestone
 Lionel Stewart ROSS, Govan

Degree 1921

Erland Edward BARR, Gettysburg
 William Stockdale BENSON, Semans
 Ernest Gordon BOOTH, Semans
 Vernon William BRADLEY, Milestone
 Oral Dean DAVIDSON, Regina
 Cyril Harold GOULDEN, Ebenezer
 William John Sparling HOOVER, Moose Jaw
 Walter Lee KIRKPATRICK, Saskatoon
 George Alexander MUTCH, Lumsden
 Howard Bruno SOMMERFELD, Saskatoon

Diploma 1922

Charles P. BEACH, Moose Jaw
 Sydney Hubert BRYAN, Bridgeford
 Thomas Allan CHERRY, Ottawa, Ont.
 George CRONE, Saskatoon
 Johnston EDGAR, Strasbourg
 Wendell Augustus FENTON, Grand Coulee
 Fred Willard GARDINER, Rosemae
 James Howard GERRIE, Ingersoll, Ont.
 Harry George GREEN, Moose Jaw
 Laurence Selbourne KIRK, Asor
 Austin Roy MCGREGOR, Simpson
 Andrew MEIKLE, Naseby
 Rupert David RAMSAY, Bladworth
 Harold Craig WILSON, Rouleau
 Stanley Nixon WOOD, Davidson
 Wilbert Copeland WOOD, Davidson

Degree 1922

William ALLEN, Dewar Lake
 George Franklin BOYD, Regina
 James Henry BREDIN, Condie
 Emanuel Edward BROCKELBANK, Rockhaven
 Arthur Richardson BROWN, Saskatoon
 Helgi Bjarni JOSEPHSON, Kandahar
 Thomas ROWLES, Alisask
 Arthur Miller WILSON, Govan

Diploma 1923

Henry AMUNDRUD, Aylesbury
 George COOPER, Moose Jaw
 Albert Miller CRAIG, North Battleford
 James Sloan HYSLOP, Morse
 George William ISMOND, Abernethy
 William J. LEMON, Windthorst
 Ernest Leslie PAYNTER, Tantalton
 Gordon Blake REID, Alida

Degree 1923

Howard Barton BOYD, Saskatoon
 Thomas William Lorne BURKE, Valparaiso
 John Kennedy FINLAYSON, Harris
 James Campbell HACKNEY, Regina
 Frank Forest HILL, Davidson
 Ernest Albert HOWRIE, Prince Albert
 Thomas Gordon John LOVERIDGE, Grenfell
 Francis Matthew McISAAC, Gorefield
 Alexander Furman McKEAN, Rouleau
 William John McLEOD, Macdowell
 Peter PETERS, Saskatoon
 Lawrence Ethridge PURDY, Regina
 John Tregloan ROGERS, Rouleau
 Trueman STEVENSON, Saskatoon
 Harold Edgar WILSON, Saskatoon

Diploma 1924

Harry HEASLIP, Moose Jaw
 Forrest Olney HUNT, Sovereign
 William Sylvanus HUNT, Sovereign
 John Elwood McLEAN, Scotsburn
 Shamus Patrick REGAN, Fort Qu'Appelle
 Robert Howard TOMLINSON, Grenfell
 Eric John THOMSON, Boharm
 Frank Daniel THOMSON, Moose Jaw
 James William WHITE, Fort Qu'Appelle

Degree 1924

James Glen DAVIDSON, Kelvington
 Dennis Alfred Cunliffe FITZGERALD, Grenfell
 Charles Donald FLATT, Esterhazy
 Thorvaldur JOHNSON, B.Sc., Arnes, Man.
 Charles Henry Percival KILLICK, Shellbrook
 John Emil MACHACEK, Assiniboia
 John MITCHELL, Wycollar
 John Roderick MORRISON, Wapella
 Harold Charles MOSS, Strasbourg

Degree 1924 (cont'd.)

George Wishart MURRAY, B.A., Saskatoon
 Kenneth William NEATBY, Saskatoon
 John REOCH, Regina
 Ralph Clifford RUSSELL, Kelliher
 Geoffrey Seddon SHEPHERD, Consul
 Hewitt Merlyn TYSDALE, Moose Jaw
 Logan Thode WILSON, Dundurn

Diploma 1925

William Ewart EVANS, Rocanville
 Joseph Foster GIBBINGS, Kindersley
 Elwood S. GOUD, Estevan
 Raymond GUNSON, Saskatoon
 Maurice Earl HARTNETT, Leney
 Oscar Clarence LANDSTROM, Govan
 John Alexander McKILLIP, Carnduff
 John RILEY, Assiniboia
 Geron Gustave WOHLBERG, Speers

Degree 1925

George Lester ART, Saskatoon
 James Lindsay BLAIR, Drake
 Henry Robson BOWMAN, Alexander, Man.
 William Walter BROWN, Broadview
 John West DEVINE, Semans
 Johnston EDGAR, Strasbourg
 Russell Bertram HOLLINGSHEAD, Oxbow
 Douglas Hall McCALLUM, Saskatoon
 Frank Molyneux THORN, Lloydminster
 John Seaman TURNBULL, Govan
 Stanley Nixon WOOD, Davidson

Diploma 1926

John Hooper COLES, Strasbourg
 John GOODALE, Floral
 Edwin Louis HEINRICH, Davidson
 William LEASK, Marcellin
 Ernest Wynn McKENZIE, Belbeck
 Harvey RENWICK, Milestone

Degree 1926

Charles Graham ANDERSON, Calgary, Alta.
 Charles Eric BEVERIDGE, Qu'Appelle
 Arthur Cyril BUNCE, Manchester, England
 Edward George GREYST, Watrous
 Albert Alexander KIRK, Salvador
 Milford Roy KIRK, Salvador
 Frank Campbell LATT, Govan
 William Johnston MATHER, Winthorpe
 Thomas Randal MOAR, Semans

Diploma 1927

Claude Durant CHEESMAN, Forget
 Thomas HYSLOP, Morse
 Peter Jacob JANZEN, Waldeck
 Albert Phineas LOWE, Belbeck
 Robert Mansel McCREARY, Bladworth
 James McMULLEN, Pouce Coupe, B.C.
 Charles Robert PARSONS, Elbow

Degree 1927

Charles Patrick BEACH, Moose Jaw
 Victor Edward GRAHAM, Cantuar
 Leslie James HUTCHISON, Spalding

Diploma 1928

Erald Ivor BURNARD, Theodore
 Maxwell Collins CROSBIE, Quill Lake
 Ali John GERMIQUET, Leask
 Lawrence Arnold HILL, Carnduff
 George Allan MORROW, Fairmede
 Edward Weir RIGNEY, Wolseley
 John SHADICK, Regina
 Norman Angelo WOOFF, Cleaves

Degree 1928

Mervyn Avery COLLINS, Crichton
James Howard GERRIE, Ingersoll, Ont.
William Gordon KIRK, Salvador
John Henry MADUKE, Saskatoon
David Russell ROBINSON, Paswegin

Diploma 1929

Kasper Albert AASEN, Bladworth
Ernest Marion AYERS, Fairlight
Ralph D. BOTKIN, Pitman
James Hubert CANNON, Aberdeen
John Andres CHAPMAN, Belle Plaine
Demetrius DERBOWKA, Borden
William Harold DUCIE, Dundurn
Norman Edward FOSTER, Abernethy
William Henry FOSTER, Abernethy
William Wellington HAYES, Moose Jaw
Ross Alexander JOHNSTON, Lewvan
Douglas Aubrey LEMON, Windthorst
Frank Harold MILLS, Colonsay
Douglas MINOR, Earl Grey
Hayden William OWENS, Eston
William John WHITE, Fort Qu'Appelle
Clifford Henry WHITING, Pleasant Valley

Degree 1929

George Lucien GODEL, Swift Current
Frederick Edward GOETZ, Dundurn
Robert George JAAP, Coleville
Wilnot Kinnon KETCHESON, Davidson
Rupert David RAMSAY, Bladworth
George Hugh ROBINSON, North Portal
Clarence Campbell SPENCE, Saskatoon
James STRAIN, Birch Hills

Diploma 1930

Frank George APPELYARD, Antelope
Edwin Aitken ARMSTRONG, Rockhaven
Robert Owen BIBBEY, Watrous
Francis William BRITNELL, Macrorie
John Robert CHESTON, Pense
William Albert COLLINS, Crichton
Roland James MCINTOSH, Parkview
Andrew Munro SMITH, Conquest
James Huey STEWART, Pleasant Valley

Degree 1930

Lucien BELL, Semans
William Steve CHEPIL, Edwin, Man.
John Hooper COLES, Strasbourg
Gilbert Blair GILMOUR, Tuxford
Ralph Thomas HAMILTON, Cymric
Thomas Karp PAVLYCHENKO, Saskatoon
Michael PEECH, Seech, Man.
John Bow RUTHERFORD, Saskatoon
John Walker SUTHERLAND, Saskatoon

Diploma 1931

James Alexander ANDERSON, Siltou
Harry Ernest BAADE, Imperial
Edgar Robert BRYCE, Riverhurst
Gordon Alexander BRYCE, Riverhurst
Udney Alexander GRIEVE, Lawson
Allan Edward GRIGG, Moose Jaw
Phillip Duncan HUNT, Wapella
Howard McDONALD, Glenside
John Russell RATHWELL, Moose Jaw
Gilbert Norman ROBBINS, Laura
James SUEHWOLD, Cardross
Walter Horace TAYLOR, Salvador

Degree 1931

William Gordon BONNOR, Carnduff
George Edward BRYCE, Riverhurst

Degree 1931 (cont'd.)

William White CHAMBERS, Laura
Murray Stewart COOKE, Fillmore
John KEAY, Moose Jaw
Joseph Emile LAFRANCE, Gravelbourg
Harold Percy REUSCH, Yorkton
Stanley Robert SHAWYER, Essex, England
Alexander TZOGOEFF, Russia
Cecil John WILKINSON, Aberdeen

Diploma 1932

Roy Herman ECKHOFF, Rouleau
Robert GOODALE, Saskatoon
Mark Stuart HARRISON, Baljennie
George Albert HOLLAND, Saskatoon
John Lloyd HORNER, Blaine Lake
William KERR, Radisson
Owen Roger MALCHOW, Cantuar
Michael MATWISHYN, Saskatoon
John Hayton WILSON, Kenaston

Degree 1932

Alexander Charles BONNOR, Carnduff
John Stuart CLAYTON, Regina
Frank EVANS, Moose Jaw
Joseph Bruce MARSHALL, Yellow Grass
Ian Stewart McARTHUR, Weston, Ont.
Herbert Anthony PURDY, Balcarres
Thomas Lenton PURDY, Balcarres
Francis SEE, Weyburn
Solomon SINCLAIR, Regina
James Mansell SPICER, Saskatoon
Thomas William TOWNLEY-SMITH, Lashburn
William James WHITE, Ruddlell

Diploma 1933

NIL

Degree 1933

Harvey Merritt BALLARD, Imperial
DeWitt Lawrence ELDERKIN, Regina
Christian Paul EUTENEIER, Kronau
Frederick William EVANS, England
William Harold HORNER, Creelman
James Henry Hamlyn JACKSON, North Battleford
John Russell KLINCK, Yellow Grass
Edwin Victor MCCURDY, Moosomin
David Gordon MacFARLANE, Saskatoon
Harold Alexander McMAHON, Melfort
Vernon Richard METHERAL, Yellow Grass
Orrin Renwick MOONEY, Regina
Wolfgang Maria SCHWANGART, Germany
William SHEVKEK, Rhein
Ralph Albert STUTT, Vandura
John Kenneth SWANN, Marquis

Diploma 1934

NIL

Degree 1934

Robert Owen BIBBEY, Saskatoon
Roy William BLAKE, England
Thomas Joseph CLAYDON, Aneroid
Arthur Drewatt DAVEY, Moose Jaw
Maurice Earl HARTNETT, Saskatoon
Norman Alfred LANGHORNE, England
Thomas Dixon MOORE, Saskatoon
